**Supplemental Response to Commission Staff's Third Request for Information
Dated May 21, 2026**

Case No. 2026-00077

Question No. 12

Responding Witness: Robert M. Conroy

Q-12. Refer to LG&E/KU's response to Staff's Second Request, Item 33. Provide all documents regarding any filings with the Virginia State Corporation Commission and the Federal Energy Regulatory Commission (FERC) that relate in any way to the proposed merger of LG&E and KU. As part of the response, state when LG&E/KU anticipate submitting any relevant filings with the FERC. This is an ongoing request.

A-12. **Original Response:**

See attachment being provided in a separate file. Certain information requested is confidential and proprietary and is being provided under seal pursuant to a petition for confidential protection. The Companies currently anticipate submitting their initial application with FERC in June. The Companies will supplement this response after they make the relevant FERC filings, as well as with any further filings they make with the Virginia State Corporation Commission or FERC.

June 2, 2026 Supplemental Response:

On May 29, 2026, KU and LG&E filed its verified joint application with the Virginia State Corporation Commission for certain approvals related to the legal merger of the Companies. In the application, the Companies requested (1) approval of the assumption and issuance, respectively, of evidences of indebtedness necessary to consummate, or following, the merger pursuant to Chapter 3 of Title 56 of the Code of Virginia and (2) approval of the Plan of Merger of the Companies pursuant to Chapter 4 of Title 56 of the Code of Virginia. See attachments being provided as separate files.

July 9, 2026 Supplemental Response:

See attachments being provided as separate files for filings made at the Virginia State Corporation Commission since the above June 2, 2026 supplemental

response. The Companies submitted their initial application with FERC on July 8, 2026, which is also attached.

September 3, 2026 Supplemental Response:

On August 31, 2026 the Virginia State Corporation Commission issued an Order in Case No. PUR-2026-00083 granting approval of the assumption and issuance of evidences of indebtedness pursuant to Chapter 3 of Title 56 of the Code of Virginia and approval of the draft Agreement and Plan of Merger between LG&E and KU pursuant to Chapter 4 of Title 56 of the Code of Virginia. See attachment being provided as a separate file.

September 21, 2026 Supplemental Response:

On September 18, 2026, KU and LG&E received Federal Energy Regulatory Commission authorization for its proposed internal corporate reorganization whereby KU will merge with and into LG&E creating a single surviving entity, LG&E. See attachment being provided as a separate file for the Order authorizing the merger.

September 24, 2026 Supplemental Response:

On September 14, 2026 the Virginia State Corporation Commission Staff issued a Report Case No. PUR-2026-00052 that recommends approval of the merger. On September 23, LG&E and KU filed a response to the Staff Report that generally agreed with the Virginia Staffs Findings and Conclusions, but asked the Virginia State Corporation Commission to consider some minor clarifications to the Virginia Staff's recommendations. See attachments being provided as separate files for the noted documents along with other documents filed or otherwise provided in the proceedings before the Virginia State Corporation Commission.

One item is confidential and was produced pursuant to the Virginia State Corporation Commission's Rule of Practice and Procedure, 5 VAC 5-20-170. Confidential information. That item is the same document the Companies provided in this case as a confidential attachment to the Companies' response to PSC 2-12(b). Therefore, the Companies request confidential protection for the confidential item they are providing in this supplemental response pursuant to the Companies' May 8, 2026 Petition for Confidential Protection in this proceeding as it applied to the identical document filed herein as a confidential attachment to PSC 2-12(b).
