RE: *Joint Application of Kentucky Utilities Company d/b/a Old Dominion Power Company and Louisville Gas and Electric Company for Transfer of Certificate, Approval of Merger, and Declaratory Order*
Case No. PUR-2026-00052

Dear Mr. Logan:

Kentucky Utilities Company doing business as Old Dominion Power Company ("KU/ODP") and Louisville Gas and Electric Company (collectively, the "Companies") hereby file their fifth biweekly update pursuant to Item 13 of the Transaction Summary filed with their Joint Application.

In Kentucky Public Service Commission ("KPSC") Case No. 2026-00077, the Companies filed the rebuttal testimonies of Robert Conroy, Christopher Garrett, and John Spanos on July 1, 2026. On July 2, 2026, the Companies, Attorney General, Kentucky Industrial Utility Customers, Inc., and Walmart Inc. filed a Stipulation and Recommendation. The Companies and the Attorney General also recommended the case be submitted on the record for a final decision without a hearing. On July 9, 2026, the Companies provided a supplemental response to one data request from KPSC Staff.

On July 8, 2026, the Companies filed an application for approval of the merger at the Federal Energy Regulatory Commission ("FERC").

Pursuant to the Companies' response to Staff's First Set of Discovery, Item 1, the Companies have provided the supplemental response and will continue to provide the discovery responses served in the KPSC and FERC proceedings on counsel's file share site. Commission Staff has access to this file share site.
