RE: *Joint Application of Kentucky Utilities Company d/b/a Old Dominion Power Company and Louisville Gas and Electric Company for Authority Regarding the Assumption and Issuance of Indebtedness and Affiliate Transaction Related to Merger*
Case No. PUR-2026-00083

Dear Mr. Logan:

Kentucky Utilities Company doing business as Old Dominion Power Company ("KU-ODP") and Louisville Gas and Electric Company (collectively, the "Companies") hereby file their fifth biweekly update pursuant to Item E.6 of the Transaction Summary filed with their Joint Application.

In Kentucky Public Service Commission ("KYPSC") Case No. 2026-00077, the Companies have no updates to report.

In FERC Docket No. EC26-127-000, five municipal utilities—Kentucky Municipal Power Agency, Electric Plant Board of the City of Princeton, Kentucky, Electric Plant Board of the City of Paducah, Kentucky, Nicholasville City Utilities, and Bardstown Municipal Light and Water—moved to intervene in the proceeding. The Companies have not filed any additional materials and have no further updates regarding that proceeding.

Should you have any questions, please contact me at your convenience.

Yours very truly,

A handwritten signature in blue ink that reads "Mary Ellen Wimberly". The signature is fluid and cursive, with the first and last names being more prominent.
