**Re: Case No. 2026-00084**

Dear Ms. Bridwell:

Pursuant to Sheet No. 43 of Delta Natural Gas Company, Inc.'s tariff, please find attached Delta's balancing adjustment that true-ups its actual Pipe Replacement Program costs for the twelve months ending December 31, 2025 with its projected costs for the same period. The proposed effective date for the revised rates is June 1, 2026, as set forth in the tariff.

In accordance with 807 KAR 5:001, Section 8(7), this is to certify that Delta's March 30, 2025 electronic filing has been transmitted to and there are currently no parties that the Commission has excused from participation by electronic means in this proceeding.

Please let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Monica H. Braun".
