

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF KENTUCKY)	
UTILITIES COMPANY FOR)	
AUTHORIZATION OF CHANGES IN SERVICE)	CASE NO. 2026-00085
TERRITORY WITH SHELBY ENERGY)	
COOPERATIVE, INC.)	

APPLICATION

Kentucky Utilities Company (“KU”), pursuant to KRS 278.018(6), 807 KAR 5:001 Section 14, and 807 KAR 5:001, Section 22, hereby applies for approval of changes in its certified service territory as agreed to with Shelby Energy Cooperative, Inc. (“Shelby Energy”).

1. Applicant KU’s full name and business address are: Kentucky Utilities Company, One Quality Street, Lexington, Kentucky 40507. KU’s mailing address is Kentucky Utilities Company c/o Louisville Gas and Electric Company, 2701 Eastpoint Parkway, Louisville, Kentucky 40223. KU may be reached by electronic mail at the electronic mail addresses of its counsel set forth below.

2. KU was incorporated in Kentucky on August 17, 1912, and in Virginia on November 26, 1991 (and effective as of December 1, 1991), and is in good standing in both Kentucky and Virginia.

3. KU is a public utility, as defined in KRS 278.010(3)(a), engaged in the electric business. KU generates and purchases electricity, and distributes and sells electricity at retail in the following counties in Central, Northern, Southeastern, and Western Kentucky:

Adair	Edmonson	Jessamine	Ohio
Anderson	Estill	Knox	Oldham
Ballard	Fayette	Larue	Owen
Barren	Fleming	Laurel	Pendleton
Bath	Franklin	Lee	Pulaski
Bell	Fulton	Lincoln	Robertson
Bourbon	Gallatin	Livingston	Rockcastle
Boyle	Garrard	Lyon	Rowan
Bracken	Grant	Madison	Russell
Bullitt	Grayson	Marion	Scott
Caldwell	Green	Mason	Shelby
Campbell	Hardin	McCracken	Spencer
Carlisle	Harlan	McCreary	Taylor
Carroll	Harrison	McLean	Trimble
Casey	Hart	Mercer	Union
Christian	Henderson	Montgomery	Washington
Clark	Henry	Muhlenberg	Webster
Clay	Hickman	Nelson	Whitley
Crittenden	Hopkins	Nicholas	Woodford
Daviess			

4. Pursuant to 807 KAR 5:001 Section 8, on March 25, 2026, KU filed with the Commission notice of its election of the use of electronic filing procedures in this proceeding. Copies of all orders, pleadings and other communications related to this proceeding should be directed to:

5. Description of Changes in Service Territory:

As explained in this application and in the attached exhibits, KU and Shelby Energy have individually agreed to the requested territorial changes for the tracts of land described below. One tract is a new commercial development near Simpsonville, Kentucky by developer Hunt Midwest. A second tract, located just northwest of this commercial development, is an existing residential subdivision (Rolling Ridge). The proposed territorial boundary changes serve the purposes of KRS 278.016; the changes promote the orderly development of retail electric service, avoid the wasteful duplication of facilities, the unnecessary encumbrance of the landscape, and minimize disputes between retail electric providers. No existing customer will change electric provider.

Hunt Midwest

When KU and Shelby Energy learned of the new commercial development at the Logistics Park at Interstate I-64 and Buck Creek Road (“Logistics Park Development”), KU and Shelby Energy engineering staffs reviewed and studied the planned building layouts at the site. Based on that review, KU and Shelby Energy determined that the Logistics Park Development spanned across the two utilities’ service territories creating split lots that did not align with property lines.

As is normal protocol in situations where a new development dissects electric utility territorial boundaries, KU and Shelby Energy agreed to redraw their certified service territory boundary lines to efficiently and fairly align with the property lines related to the Logistics Park Development. These new boundaries clearly differentiate the respective utilities’ territories and remove any split lots (see Application Exhibit 2a).

The proposed new territorial boundary lines will allow each utility to prudently extend their respective existing electrical distribution systems to reliably serve the Logistics Park Development and to avoid wasteful duplication of facilities.

Rolling Ridge Subdivision

Upon review of the historical files and maps near the northwest corner of the Logistics Park Development, KU and Shelby Energy realized that certain parcels referenced as “REFER TO AGREEMENT DATED 10-18-88 ROLLING RIDGE SUBD” on the Commission’s certified Simpsonville Quadrant Map 27-E-2 (“Simpsonville Quadrant Map”) do not reflect the reality of which utility is currently serving which lots in the existing Rolling Ridge Subdivision in Simpsonville, KY. Given the passage of time, and retirements of key staff, neither KU nor Shelby Energy is certain how or why particular parcels were served outside of the October 18, 1988 Agreement designated on the Commission’s certified Simpsonville Quadrant Map.

Therefore, in this application, KU and Shelby Energy also seek to rectify this situation and to revise the official boundary lines as designated on the Simpsonville Quadrant Map to match the existing property lot lines that accurately correspond with the properties receiving electric service from each respective electric utility. No customers will change providers; but the territorial lines will, upon approval, reflect the reality of which utility is serving which lots. KU and Shelby Energy agree to redraw the boundaries to include the following existing parcels (as indicated in Application Exhibit 2b):

	Parcel Numbers	Coordinates
KU	15 through 25	8 - 11
	33 through 42	8 - 11
	79 through 79a	1 - 3
	126 through 164	14 - 21

	Parcel Numbers	Coordinates
Shelby Energy	70 through 74	3 - 8
	60	11
	190 through 197	11 - 15

6. Agreement and Maps:

Application Exhibit 1 of this filing includes the summary list identifying KU and Shelby Energy personnel familiar with the specifics of the facilities available, the reason for the proposed change (purposes served under KRS 278.016), and the agreement signed by both parties for the properties involved. Application Exhibit 2 includes the signed Simpsonville Quadrant Map. Application Exhibit 2a includes the signed detailed site map for the Hunt Midwest property. Application Exhibit 2b includes the signed detailed site map for the Rolling Ridge residential subdivision. The territorial maps, and other attachments provided, constitute the entire agreement between KU and Shelby Energy.

WHEREFORE, KU hereby requests, pursuant to KRS 278.018, that the Commission enter an order approving the updates to the Simpsonville Quadrant Map to reflect the current requested service territory changes and the agreement between KU and Shelby Energy.

Dated: April 27, 2026

CERTIFICATE OF COMPLIANCE

In accordance with the Commission's Order of July 22, 2021 in Case No. 2020-00085 (Electronic Emergency Docket Related to the Novel Coronavirus COVID-19), this is to certify that the electronic filing has been transmitted to the Commission on April 27, 2026; and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Counsel for Kentucky Utilities Company

APPLICATION

EXHIBIT 1

Summary Checklist
and Agreement

TERRITORIAL CHANGE INFORMATION

(7/2019)

Affected Property: New Commercial Development and
Existing Residential Subdivision in Simpsonville, KY

Foreign Utility: Shelby Energy Cooperative, Inc.

Quadrant Map: 27-E-2 Simpsonville, KY

Agreement Date: 04.16.2026 (date of last signature)

1. Utilities signed copy of quadrant (Key) map showing revised territorial line with a note referencing the property/customer, and date of the territorial agreement.

2. Utilities signed copy of site map (Plat) and/or territorial agreement showing original and revised territorial boundary.

The map must include coordinates accurate to within 3 meters for at least **four** points on the territorial line. It is preferable that these points include the beginning and ending points of the change. We also must provide the coordinate system used: This will be utilizing Global Positioning System (GPS) with the coordinates based upon NAD 1983 KY State Plane North.

3. Copies of all written agreements (**1** needed - not original).

4. Name of employee who would serve as KU's witness if a hearing is required:
Samantha Guenette, Manager, Operations Center

5. Name and mailing address of the foreign utility, and the name and title their official who is to receive the Commission stamped quadrant map:

Mr. Randy Stevens, Senior Vice President
Power Delivery Services
620 Old Finchville Road
Shelbyville, KY 40065

6. The reason(s) for the boundary change (realignment with lot/property lines, closest utility (give details), it is the least cost of providing service to the customer(s), etc.):

Promotes orderly development and realignment with property lines

7. How does this boundary change promote the purposes of KRS 278.016? (check all that apply)

- Promotes the orderly development of retail electric service
- Avoids wasteful duplication of facilities
- Avoids unnecessary encumbering of the landscape
- Prevents waste of materials and natural resources
- Is necessary for the public convenience and necessity
- Minimizes disputes between retail electric suppliers which may result in inconvenience, diminished efficiency, and higher cost to the consumer

8. Will any retail customer change electric supplier as the result of this boundary change?

- No (Check this if no retail customers were receiving service in affected territory prior to the boundary change.)
- Yes (If yes, provide the information on Attachment 1 for each customer affected.)

BOUNDARY CHANGE AGREEMENT

Kentucky Utilities Company (KU) and Shelby Energy Cooperative (Shelby Energy) hereby agree to two territorial boundary changes. One boundary line includes a new commercial development (Hunt Midwest). A second boundary line includes correcting an existing residential subdivision (Rolling Ridge). Both are located in Shelby County, Kentucky. No existing customer will change electric provider.

The Hunt Midwest property will consist of several new commercial buildings in Simpsonville, Kentucky. KU and Shelby Energy agree that the new boundary is fairly aligned along property lines.

Rolling Ridge is an existing residential subdivision also located in Simpsonville, Kentucky. KU and Shelby Energy have provided electric services to this subdivision for many years, and discovered that some services are outside of their respective certified territories. KU and Shelby Energy agree to adjust the new boundary to officially show these areas as their respective territories.

Both boundary changes avoid the wasteful duplication of facilities, unnecessary encumbering of the landscape and minimize disputes between retail electric providers.
