American Water Works Company, Inc. AWK

About the Issuer

Source: Moody's Ratings

Headquartered in Camden, New Jersey, American Water is the largest investor-owned provider of water, wastewater and related services in the US, with operations serving more than 14 million people across 24 states through its regulated operations and military services group. American Water is a holding company and does not have any direct debt obligations; rather, it primarily issues debt through its non-operating financing subsidiary American Water Capital Corp. (AWCC, Baa1 stable), which has a support agreement with American Water.
