RE: *Electronic Application of Columbia Gas of Kentucky, Inc. for an Adjustment of Rates; Approval of Depreciation Study; Approval of Tariff Revisions; and Other Relief - Case No. 2026-00099*

Dear Mr. McNeil,

Enclosed, please find for filing Columbia Gas of Kentucky, Inc.'s corrected 2026-00099_PSC_Staff_Set_5_No_5_CONFIDENTIAL_Attachment_B_REDACTED.xslm. This is Attachment B for Columbia Gas of Kentucky Inc.'s response to Commission's Staff's Fifth Request for Information Item 5-5 in the above-styled case. Columbia Gas of Kentucky, Inc., filed its original responses to Commission Staff's Fifth Request for Information on September 23, 2026. After the original filing was made, an error was found in the redacted public version of this attachment. It appears that when performing the redactions, the redacted cells were not unlinked correctly and this caused an unintended change in the revenue requirement that was not correct. However, the unredacted, highlighted version of this attachment that was provided under seal to the Commission and also provided to each of the intervenors in this proceeding, was correct.

This is to certify that the electronic filing was made on September 24, 2026, and there are no parties the Commission has excused from electronic filing procedures. Pursuant to the Commission's July 22, 2022 Order in Case No. 2020-00085, no paper copies of filings will be made.

If you have any questions, please let me know.

Sincerely,

L. Allyson Honaker
