RE: *Electronic Application of Columbia Gas of Kentucky, Inc. for an Adjustment of Rates; Approval of Depreciation Study; Approval of Tariff Revisions; and Other Relief* - **Case No. 2026-00099**

Dear Mr. McNeil,

Enclosed, please find for filing Columbia Gas of Kentucky, Inc.'s ("Columbia") responses to Commission Staff's Sixth Request for Information in the above styled case. Commission Staff redacted information in Commission Staff's Sixth Request Item 15 due to the confidentiality request for Columbia's response to Commission Staff's Third Request Item 34. Columbia appreciates Commission Staff's redaction of that information; however, the information provided by Columbia in Commission Staff's Sixth Request Item 15 is not confidential because it is Kentucky only information at a high level. However, Columbia still requests confidential treatment of its response to Commission Staff's Third Request Item 34.

This is to certify that the electronic filing was made on October 26, 2026, and there are no parties the Commission has excused from electronic filing procedures. Pursuant to the Commission's July 22, 2022 Order in Case No. 2020-00085, no paper copies of filings will be made.

If you have any questions, please let me know.

Sincerely,

L. Allyson Honaker
