RE: *Electronic Application of Columbia Gas of Kentucky, Inc. for an Adjustment of Rates; Approval of Depreciation Study; Approval of Tariff Revisions; and Other Relief* - **Case No. 2026-00099**

Dear Mr. McNeil,

Enclosed, please find for filing Columbia Gas of Kentucky, Inc.'s ("Columbia") supplemental response to Commission Staff's Fifth Request for Information ("Staff's Fifth Request") Item 5 in the above-styled case. As discussed at the informal conference, Columbia indicated that it would be filing a supplemental response for Staff's Fifth Request Item 5 because it was discovered after filing that it was not a true comparison to Columbia's original filing.

This is to certify that the electronic filing was made on October 27, 2026, and there are no parties the Commission has excused from electronic filing procedures. Pursuant to the Commission's July 22, 2022 Order in Case No. 2020-00085, no paper copies of filings will be made.

If you have any questions, please let me know.

Sincerely,

L. Allyson Honaker
