MOTION FOR TECHNICAL CONFERENCE

Comes now Columbia Gas of Kentucky, Inc. (“Columbia”), by and through counsel, pursuant to 807 KAR 5:001, Section 9 and other applicable law, and for its motion requesting that the Kentucky Public Service Commission (“Commission”) convene an in-person (with an option for virtual attendance) Informal Technical Conference in this case to occur before June 22, 2026. In support of this motion, Columbia respectfully states as follows:

1. On May 20, 2026, Columbia filed its Application in the above styled proceeding that contains various testimony, schedules, and information. On June 3, 2026, Columbia filed its Responses to Commission Staff’s First Request for Information which contains additional schedules.

2. The purpose of the Informal Technical Conference is to discuss Columbia's filing and responses to the Staff's First Request for Information, if the Commission finds an Informal Technical Conference would be a useful investment of time. Columbia believes an Informal Technical Conference will provide additional insight into Columbia's schedules and support documents that will be beneficial to the Commission and Columbia.

3. The undersigned counsel will work with Commission Staff to aid in the scheduling of the requested Informal Technical Conference.

WHEREFORE, on the basis of the foregoing, Columbia respectfully requests the Commission schedule an Informal Technical Conference to discuss Columbia's Application and Responses to Staff's First Request for Information before June 22, 2026.

This the 5th day of June 2026
