RE: *Electronic Application of Columbia Gas of Kentucky, Inc. for an Adjustment of Rates; Approval of Depreciation Study; Approval of Tariff Revision; and Other Relief*, Case No. 2026-00099

Dear Mr. McNeil:

It was brought to my attention that the tear sheets filed with Columbia Gas of Kentucky, Inc.'s proof of publication notice, filed October 30, 2026, did not upload correctly and only contained the tear sheets from the Ashland Daily Independent. Enclosed, please find Columbia Gas of Kentucky, Inc.'s complete compilation of tear sheets to be filed in the above referenced matter, to accompany the proof of publication and notice filing submitted on October 30, 2026. Also attached is the updated publication list from Kentucky Press Service that changed the Richmond Register newspaper date to match the tear sheet of 10/24. The original KY Press Affidavit was filed with a Richmond Register publication date of 10/21.

This is to certify that the electronic filing was made on November 10, 2026, and there are no parties the Commission has excused from electronic filing procedures. Pursuant to the Commission's July 22, 2022 Order in Case No. 2020-00085, no paper copies of filings will be made.

If you have any questions, please let me know.

Very truly yours,

Meredith L. Cave
