Kentucky Power Company’s Request To Submit Matter For Decision On The Record

In accordance with the Public Service Commission of Kentucky’s (“Commission”) August 27, 2026 Order, Kentucky Power Company (“Kentucky Power” or the “Company”) respectfully requests that this matter be submitted for decision on the record. In support of its request, Kentucky Power states as follows:

The Commission issued its Final Order in this matter on July 21, 2026, and the Company subsequently moved for rehearing on August 10, 2026. The Commission issued its order granting the Company’s motion for rehearing on August 27, 2026. The order contained a brief procedural schedule (the “Procedural Schedule”). Commission Staff submitted its rehearing data requests on September 10, 2026, to which the Company responded on September 25, 2026. The Procedural Schedule provides that Kentucky Power may submit a request for a hearing or for this matter to be decided based upon the record by October 2, 2026.

Kentucky Power contends that the record in this rehearing has been sufficiently developed and, therefore respectfully requests that this matter be submitted for decision on the record as of the date of this filing.

However, the Company will defer to the Commission if the Commission or Commission Staff determine that a hearing is needed or would be beneficial to supplement the record of this matter with additional evidence. In that event, the Company will make its witnesses available for any such hearing at the convenience of the Commission. The Company is also willing to attend an Informal Conference with Commission Staff to discuss any outstanding issues, any evidence submitted, or to discuss any other matters that would aid in the handling and disposition of this matter.

Respectfully submitted,
