Re: Case No. 2026-00131

Dear Ms. Bridwell:

Please find enclosed Natural Energy Utility Corporation's ("NEUC") Gas Cost Recovery ("GCR") rate filing to become effective July 1, 2026. The calculated GCR for the reporting period is \$4.08 per Mcf and the base rate remains \$4.24 per Mcf. The minimum billing rate for July 1, 2026 to September 30, 2026 will be \$8.32 for all Mcf. NEUC is submitting supplier invoices as part of its GCR filing pursuant to a petition for confidential protection.

In accordance with 807 KAR 5:001, Section 8(7), this is to certify that NEUC's May 19, 2026 electronic filing is a true and accurate copy of the documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on May 19, 2026; that there are currently no parties that the Commission has excused from participation by electronic means in this proceeding,

Please let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Monica H. Braun".

Monica H. Braun
