Notice of Filing of Accounting Entries

Kentucky Power Company (“Kentucky Power” or “Company”) files with the Public Service Commission of Kentucky (“Commission”) its accounting entries made pursuant to the Commission’s approval to establish a regulatory asset regarding the increased Commission assessment fee. This filing is made in accordance with the Commission’s July 29, 2026 Order granting the Applicants’ request for authorization to establish such regulatory asset.

The Company established account 1823875 (Deferred PSC Assessment Fees); however, the 2026 invoice from the Kentucky Department of Revenue for the PSC assessment was based on the prior version of KRS 278.130. Thus, there are not currently any costs associated with increased PSC assessment payments.

Respectfully submitted,
