RE: Official Notification of Wholesale Water Rate Adjustment

Dear Chairman Hatton, Commissioner Wood, and Commissioner Regan:

As authorized by the City Council at our meeting of May 7, 2026, enclosed is our formal notification of the wholesale water rate change by the City of Falmouth to the East Pendleton County Water District and Pendleton County Water District. Along with this, we have attached the rate notification that was hand delivered to each District on May 12, 2026. The City of Falmouth proposes the new rate to take effect on June 12, 2026. This letter, with an enclosed official notice, is to provide at least a 30-day advance notice to the PSC and the affected water districts before the rate change takes effect, as mandated by KRS 278.180 and 808 KAR 5:001.

The adjustment in rates has been calculated based on the audited financial information for the Fiscal Year 2024-2025. For your review, we have included the study titled "Falmouth - Wholesale Rate Study" dated May 11, 2026.

We value our relationship with Public Service Commission and look forward to its continuation.

Sincerely,

Sabrina Hazen
Mayor
