

**PENDLETON COUNTY
WATER DISTRICT**

June 11th, 2026

To whom it may concern,

This affidavit is to clarify an improperly filed Exhibit B in the PWA case #2026-00147. The original Exhibit B that was filed had rates that were improperly calculated as our current tariff states. The most recent filed Exhibit B reflects the correct information and new tariff rates being proposed that the Board resolution was agreed and signed upon. This affidavit is sworn upon that the Board resolution and the Exhibit B rates are correct and accurate.

Thank you,

Austin Monroe
