Re: Electronic Purchased Gas Adjustment Filing of Louisville Gas and Electric Company - Case No. 2026-00158

Dear Ms. Bridwell:

Pursuant to the provisions of Louisville Gas and Electric Company's ("LG&E") Gas Supply Clause as authorized by the Commission, LG&E herewith files revised P.S.C. Gas No. 14 tariff sheets in electronic medium. The revised tariff sheets set forth a Gas Supply Cost Component applicable to all gas sold during the period of August 1, 2026 through October 31, 2026. The Gas Cost Actual Adjustment and the Gas Cost Balance Adjustment levels are also revised from the levels that were implemented on May 1, 2026.

LG&E's filing also includes a petition for confidential protection regarding the names of natural gas suppliers provided on Exhibit B-1, Pages 6 of 7 and 7 of 7 and for the supporting invoices for the period of February 1, 2026 through April 30, 2026 provided as Exhibit B-2.

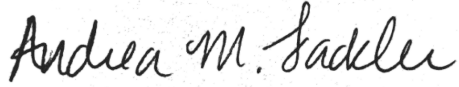

Pursuant to Louisville Gas and Electric Company's August 5, 2024 letter to the Kentucky Public Service Commission and Responses to Commission Staff's First Request for Information dated September 5, 2024 in Case No. 2023-00411, this report provides support for LG&E's final recovery balance of the PBRRC for the period February 1, 2025 through January 31, 2026. The under-recovery balance is transferred to the GCBA for final recovery. See Exhibits E and C-1 for additional information. In LG&E's next filing, Exhibit F will be renamed Exhibit E.

In accordance with 807 KAR 5:001, Section 8 and the Commission's Order on July 22, 2021 in Case No. 2020-00085, I certify that the electronic filing has been transmitted to the Commission on June 30, 2026 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Please contact me if you have any questions concerning this filing.

Linda C. Bridwell, Executive Director
