Re: Case No. 2026-00174

Dear Ms. Bridwell:

Please find enclosed Delta's Quarterly Report of Gas Cost Recovery Rate Calculation, which determines the rate to be effective with the first billing cycle of August that includes meters read on and after July 29, 2026. Delta has filed a Petition for Confidential Protection for certain of the information in the Quarterly Report and gas supplier invoices.

In accordance with Ordering Paragraph 2 in the Commission's April 28, 2023 Order in Case No. 2023-00076, Delta is enclosing a report regarding its GCR surcharge collections. In May 2026, Delta fully collected the balance from Delta customers through the \$0.87 per Mcf surcharge and stopped assessing the surcharge pursuant to the tariff's terms. Delta has proposed a text change to Sheet Nos. 2, 3, 4, and 5 to remove the reference to the \$0.87 surcharge. Delta is also proposing a text change to remove the remaining reference to the surcharge on Sheet No. 6.2.

In accordance with 807 KAR 5:001, Section 8(7), this is to certify that Delta's June 29, 2026 electronic has been transmitted to the Commission and that there are currently no parties that the Commission has excused from participation by electronic means in this proceeding,

Please let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Monica H. Braun".

Monica H. Braun
