RE: *Electronic Investigation Into the Affordability of Electric and Natural Gas Utility Service and Related Matters*, 2026-00185

Dear Mr. McNeil:

Enclosed, please find for filing Atmos Energy Corporation's corrected initial comments. The comments filed yesterday contained a typo on page 7 where a date read 2025 when it should have read 2005. The correction is reflected in the redlined copy tendered along with the corrected copy.

This is to certify that the electronic filing was made on October 1, 2026, and there are no parties the Commission has excused from electronic filing procedures. Pursuant to the Commission's October 7, 2022 Order in Case No. 2020-00085, no paper copies of filings will be made.

If you have any questions, please let me know.

Very truly yours,

Meredith L. Cave
