RE: Case No. 2026-00203
Kentucky Rural Water Association
Amended After-Action Report - Commissioner Training Hours

Dear Mr. McNeil:

Pursuant to the Commission's Order of August 10, 2026, in the above-referenced matter, Kentucky Rural Water Association previously submitted an after-action report for the accredited water district commissioner continuing education training conducted on August 24, 2026, during KRWA's 47th Annual Conference & Exhibition in Lexington, Kentucky.

KRWA is submitting an amended after-action report to correct the continuing education hours reported for participating water district commissioners. The enclosed amended report reflects the corrected commissioner training hours and supersedes the previously submitted report with respect to those hours.

Please accept the enclosed amended report for the Commission's records.

Sincerely,

Kenzie Jessup
Education Coordinator
Kentucky Rural Water Association
