COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

The Electronic Application Of Kentucky Power Company For A Certificate Of Public Convenience And Necessity To Rebuild The Allen Station In Floyd County, Kentucky ("Allen Station Rebuild Project")	)))))	Case No. 2026-00208

Kentucky Power Company's Request To Submit Matter For Decision On The Record

In accordance with the Public Service Commission of Kentucky's ("Commission") August 14, 2026 Order, Kentucky Power Company ("Kentucky Power" or the "Company") respectfully requests that this matter be submitted for decision on the record and without a hearing. In support of its request, Kentucky Power states as follows:

The Commission opened this case and issued its procedural schedule by order dated August 14, 2026 ("Procedural Schedule"). The Procedural Schedule set the last day to intervene in this case as September 3, 2026. As of the date of this filing, no parties have requested nor been granted leave to intervene. On September 16, 2026, Commission Staff submitted its first set of data requests to Kentucky Power. The Company submitted its responses to Commission Staff's first data requests on October 1, 2026, in conformity with the Procedural Schedule. The Commission did not issue subsequent request for information to the Company. Therefore, the Company did not file any subsequent responses to request for information. The Procedural Schedule provides that Kentucky Power may request a hearing or to submit this matter for a decision on the record by November 12, 2026. The Company respectfully requests that this matter be submitted for decision on the record.

Kentucky Power contends that the record in this case has been sufficiently developed and, therefore, respectfully requests that this matter be submitted for decision on the record as of the date of this filing.

However, the Company will defer to the Commission if the Commission or Commission Staff determines that a hearing is needed or would be beneficial to supplement the record of this matter with additional evidence. In that event, the Company will make its witnesses available for any such hearing at the convenience of the Commission. The Company is also willing to attend an Informal Conference with Commission Staff and the parties to discuss any outstanding issues, any evidence submitted, or to discuss any other matters that would aid in the handling and disposition of the case.

Respectfully submitted,

Kenneth J. Gish, Jr.
