Dear Justin :

On behalf of Louisville Water Company, thank you for attending the meeting of our wholesale customers held on March 11, 2026. We hope you found the information we shared beneficial.

As previously discussed at the above meeting, the proposed wholesale rate effective July 1, 2026 will be \$2.29 per thousand gallons, plus an elevated service area surcharge of \$0.59 per thousand gallons, for a total wholesale rate of \$2.88 per thousand gallons. This represents a 3.23% increase of our current rate.

We are planning to file the necessary documentation for this proposed new rate with the Public Service Commission (PSC) near the end of March. The PSC has advised us in the past that we must inform you of the proposed rate increase in the format of the notice attached on the next page, although we have already provided you notice at our wholesale customer meeting March 11, 2026.

Thank you again for attending our wholesale customer meeting. Hardin County No. 1 is a valued member of this important customer group. If you have any questions or need additional information please call Patti Kaelin at 502.569.0843, or Jim Smith at 502.569.3687. I can also be reached at 502.569.3675.
