CHRISTIAN COUNTY WATER DISTRICT'S MOTION FOR EXTENSION OF TIME

Christian County Water District ("**CCWD**" or "***Christian District***"), by counsel, and pursuant to 807 KAR 5:001, Section 5, respectfully moves the Kentucky Public Service Commission ("Commission") for a ten-day extension, through and including October 19, 2026, to file its responses to Commission Staff's Second Request for Information. In support of its Motion, CCWD states:

1. On September 23, 2026, Commission Staff issued its Second Request for Information to CCWD and directed CCWD to file its responses on or before October 9, 2026.
2. CCWD has been diligently gathering responsive records and coordinating with its accounting personnel, independent auditor, and rate consultant. Additional time is needed to obtain and review supporting information, complete the requested reconciliations and workpapers, and conduct a technical review of the revised rate-study model so that CCWD can provide accurate and complete responses based upon reasonable inquiry.
3. CCWD has not previously requested an extension of the deadline for responding to Commission Staff's Second Request. The requested ten-day extension is limited and will not affect any other deadline presently established in this proceeding.

WHEREFORE, Christian County Water District respectfully requests that the Commission enter an Order granting CCWD an extension through and including October 19, 2026, to file its responses to Commission Staff's Second Request for Information and for all other appropriate relief.

RESPECTFULLY SUBMITTED, this 7th day of October 2026.
