RE: Case 2026-00211
North McLean County Water District
Remediation of Deficiencies in ARF Application

Dear Ms. Bridwell,

Enclosed for filing reference case is North McLean County Water District's explanation of the interest expense, explanation of amortization schedule, and Current and Proposed Rate Tables. The original Alternative Rate Filing Application was filed September 23, 2026. The filing was rejected due to deficiencies identified in your letter dated September 28, 2026. North McLean County Water District has addressed the issue as follows:

1. 807 KAR Section 4(1)(b): North McLean County Water District has no outstanding indebtedness. Please see attached Interest Expense from Customer Deposit Interest.
2. 807 KAR Section 4 (1)(f): North McLean County Water District has no outstanding debt therefore an amortization schedule will not be provided.
3. 807 KAR Section 4(1)(f): The corrected Current and Proposed Rate Tables (Attachment BA-DB) The current rates now reflect the rates as approved by the Commission in Case No. 2026-00172 on file with the Kentucky Public Service Commission, Sheet No. 1, that became effective July 31, 2026.

The district respectfully requests that these measures be considered as sufficient to remediate the deficiencies in the ARF application.

Sincerely,

Tiffany Sallee
