Re: Case No. 2026-00225

Dear Mr. McNeil:

In the Commission's September 21, 2026 Order in Case No. 2025-00379, Ordering Paragraph 1 directs that a "\$26,494.15 cumulative charge shall be included in the calculation of the current quarter ACA component in Case No. 2026-00225 for rates effective October 1, 2026" for Natural Energy Utility Corporation's ("NEUC") Gas Cost Recovery rate filing.

Pursuant to Ordering Paragraph 1, NEUC submits its GCR filing with the cumulative charge included. With this inclusion, the calculated GCR for the reporting period is \$3.5804 per Mcf.

In accordance with 807 KAR 5:001, Section 8(7), this is to certify that NEUC's September 25, 2026 electronic has been transmitted to the Commission and there are currently no parties that the Commission has excused from participation by electronic means in this proceeding.

Please let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Monica H. Braun".
