MOTION FOR LEAVE TO AMEND APPLICATION

Comes now East Kentucky Network, LLC d/b/a Appalachian Wireless (“Applicant”), by and through counsel, pursuant to 807 KAR 5:001, Section 4(5) and other applicable law, and respectfully moves the Kentucky Public Service Commission (“Commission”) for leave to amend a portion of its Application filed in this matter. In support of this Motion, Applicant states as follows:

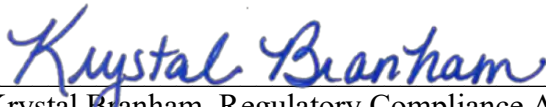

1. Applicant filed its Application herein on September 30, 2026. Included with the Application were multiple exhibits.
2. On October 6, 2026, Applicant received returned, undelivered certified mail addressed to Timmy Sylvia Howard and Cheri Howard, who own property within 500 feet of the proposed tower or contiguous to the site. A copy of the returned notice is attached, and supplements Exhibit 2 to the Application.
3. Upon further review, Applicant discovered that the public notice filed in Exhibit 3 to the Application incorrectly stated the location of the proposed construction. Applicant has updated the notice and it was provided to the Licking Valley Courier for publishing in the October 8th edition. A copy of the updated notice is attached and replaces the public notice in Exhibit 3 to the Application.

4. Good cause exists because the amendments ensure that all affected property owners and the public receive accurate notice, as required by 807 KAR 5:063. Applicant does not request that the amendment relate back to the original filing date and understands that the Application will be deemed filed as of the date of this Motion.

WHEREFORE, Applicant requests that the Commission grant leave to amend the Application by supplementing Exhibit 2 and replacing the public notice in Exhibit 3 as described above.

Dated this 27th day of October, 2026.
