Judge/Executive Hamilton,

I represent South Fork Solar, LLC. Please be advised that we will be filing an application with the Kentucky Siting Board for a certificate to construct a solar generating facility in the County. Pursuant to Kentucky law, the project is required to provide you copies of the application materials. You may access the application materials at the following link. If you have any questions, I encourage you to reach out Public Service Commission Executive Director Justin McNeil.

In addition, these documents will be available within the Siting Board's publicly accessible online case docket at View Case Filings for: 2026-00256.

Thanks,
Rebecca
