Re: **Mountain Water District**
Case No. 2026-00286

Dear Mr. McNeil:

Enclosed for filing is Mountain Water District 's ("Mountain District") Application for a Treated Sewage Adjustment. On February 18, 2026, The Williamson Utility Board of the City of Williamson, West Virginia gave notice to Mountain District that it was raising both its wholesale water rate and its wastewater treatment rate charged to Mountain District. Mountain District filed a Complaint with the West Virginia Public Service Commission. Following a prolonged negotiation process, Mountain District negotiated favorable amendments to its Purchase Agreements with Williamson, and the parties executed a Joint Stipulation Agreement. The Order of the West Virginia Commission adopting the Joint Stipulation became final on August 24, 2026. The original notice received by Mountain District, as well as the Joint Stipulation, Amended Purchase Agreements, and the final Order of the West Virginia Commission are included in the Application as **Exhibit A**.

Respectfully,

/s/Tina C. Frederick
