Kentucky Public Service Commission
Attn: Justin McNeil, Executive Director
211 Sower Boulevard
Frankfort, Kentucky 40602

Dear Mr. McNeil:

Enclosed for electronic filing is Duke Energy Kentucky's ("Duke") "Quarterly Report of Gas Cost Calculations and Tariff Schedules," for the month commencing with the December 2026 revenue month in accordance with KPSC order dated October 15, 2026, in Case No. 2026-00308. This filing is based on supplier tariff rates expected to be in effect on December 1, 2026, and the NYMEX close on October 27, 2026 for the months of December 2026, and January and February of 2027.

The above described tariff is effective with the final meter readings of District 1, December 2026 revenue month (i.e., final meter readings on and after December 1, 2026).

Duke's proposed GCA is $8.619 per Mcf. This rate represents an increase of $0.532 per Mcf from the rate currently in effect for November 2026.

Very truly yours,

/s/ Dana R. Patten

Dana R. Patten
