Re: Case No. 2026-00327

Dear Mr. McNeil:

Please find enclosed Natural Energy Utility Corporation's ("NEUC") Gas Cost Recovery ("GCR") rate filing to become effective January 1, 2027. The calculated GCR for the reporting period is $3.5405 per Mcf and the base rate remains $4.24 per Mcf. The minimum billing rate for January 1, 2027 to March 31, 2027 will be $7.7805 for all Mcf. NEUC is submitting supplier invoices as part of its GCR filing pursuant to a petition for confidential protection.

In accordance with 807 KAR 5:001, Section 8(7), this is to certify that NEUC's November 16, 2026 electronic has been transmitted to the Commission and there are currently no parties that the Commission has excused from participation by electronic means in this proceeding.

Please let me know if you have any questions or concerns.

Sincerely,

Monica H. Braun
