In addition, this Agreement sets forth the terms and conditions for Pyramid's provision of billing number information to BellSouth for inclusion in BellSouth's LIDB. The terms and conditions contained herein shall hereby be made a part of this Resale Agreement upon notice to Pyramid's account team and/or Local Contract Manager to activate this LIDB Storage Agreement. The General Terms and Conditions of the Resale Agreement shall govern this LIDB Storage Agreement. The terms and conditions contained in the attached Addendum are hereby made a part of this LIDB Storage Agreement as if fully incorporated herein.
- B. BellSouth will provide responses to on-line, call-by-call queries to billing number information for the following purposes:

B. Billing and Collection Customers

BellSouth currently has in effect numerous billing and collection agreements with various interexchange carriers and billing clearing houses and as such these billing and collection customers ("B&C Customers") query BellSouth's LIDB to determine whether to accept various billing options from End Users. Until such time as BellSouth implements in its LIDB and its supporting systems the means to differentiate Pyramid's data from BellSouth's data, the following shall apply:

- (1) BellSouth will identify Pyramid end user originated long distance charges and will return those charges to the interexchange carrier as not covered by the existing B&C agreement. Pyramid is responsible for entering into the appropriate agreement with interexchange carriers for handling of long distance charges by their end users.

- (2) BellSouth shall have no obligation to become involved in any disputes between Pyramid and B&C Customers. BellSouth will not issue adjustments for charges billed on behalf of any B&C Customer to Pyramid. It shall be the responsibility of Pyramid and the B&C Customers to negotiate and arrange for any appropriate adjustments.
