Re: Filing of Interconnection and Resale Agreements/Amendments

Dear Mr. Dorman:

On June 26, 2003, BellSouth filed with the Commission 14 Interconnection and Resale Agreements/Amendments. One of those Agreements was with T-Mobile USA, Inc. f/k/a Voice Stream Wireless Corporation. The Agreement was referenced as a CMRS Agreement. BellSouth would like to clarify that the Agreement filed was actually a Collocation Agreement.

We apologize for any inconvenience.

Sincerely,

Dorothy J. Chambers
