

**AMENDMENT
TO THE
AGREEMENT BETWEEN
DSLNET COMMUNICATIONS, LLC AND
BELLSOUTH TELECOMMUNICATIONS, INC.
DATED JANUARY 10, 2003**

Pursuant to this Amendment, (the "Amendment"), DSLnet Communications, LLC ("DSLnet") and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties", hereby agree to amend that certain Interconnection Agreement between the Parties dated January 10, 2003 ("Agreement") shall be deemed effective from the date of the last signature.

WHEREAS, BellSouth and DSLnet entered into the Agreement on January 10, 2003, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. Attachment 4, Collocation, Section 7, is hereby amended to add new Sections 7.8.8-7.8.10 as follows:
 - 7.8.8 BellSouth will revise recurring power charges to reflect a power reduction upon BellSouth's receipt of the Power Reduction Form from DSLnet certifying the completion of the power reduction, including the removal of the power cabling by DSLnet's BellSouth Certified Supplier.
 - 7.8.9 If DSLnet desires to reduce the amount of power that it has requested from BellSouth, DSLnet must submit a Subsequent Application for this power reduction. If no other modifications to the Collocation Space are requested other than the reduction in power, the Power Reduction Only, Application fee, as set forth in Exhibit B will apply. If other modifications are requested in addition to the reduction of power, the Subsequent Application Fee will apply. BellSouth will bill the appropriate nonrecurring application fee on the date BellSouth provides an Application Response to DSLnet.
 - 7.8.10 In Alabama and Louisiana, if DSLnet is currently served from the BellSouth main power board and requests that its power be reconfigured to connect to a BellSouth BDFB in a specific central office, DSLnet must submit a Subsequent Application to BellSouth. A response to such application will be provided by BellSouth within seven (7) calendar days and no application fee will apply for the initial power reduction at each "BellSouth Premises" in which DSLnet is currently collocated.

2. The Parties agree that the Agreement between DSLnet and BellSouth is hereby amended to add to Attachment 4, Collocation, Exhibit D rates as set forth in Exhibit 1, attached hereto and incorporated herein by this reference.
3. All of the other provisions of the Agreement, dated January 10, 2003, shall remain in full force and effect.
4. Either or both of the Parties are authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.
