AMENDMENT TO INTERCONNECTION AGREEMENT BETWEEN BELLSOUTH TELECOMMUNICATIONS, INC. AND NEWSOUTH COMMUNICATIONS CORP. DATED MAY 18, 2001

This Agreement (the "Amendment") is made and entered into between BellSouth Telecommunications, Inc. ("BellSouth") a Georgia corporation, and NewSouth Communications, Corp. ("NewSouth") a Delaware corporation.

WHEREAS, The Parties desire to amend that certain Interconnection Agreement between BellSouth and NewSouth dated May 18, 2001 (the "Interconnection Agreement") in order to incorporate rates established by the Louisiana Public Service Commission ("PSC") in Docket Number U-24717-A, on September 21, 2001;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, BellSouth and NewSouth hereby convenant and agree as follows:

- 1. Those permanent rates established by the Louisiana PSC in Docket No. U-24717-A for certain Unbundled Network Elements and Local Interconnection in Louisiana are as set forth in Exhibit 1 to this Amendment attached hereto and incorporated herein by this reference.
- 2. All rate elements and rates in Attachments 1, 2, 3, 5 and 7 of the Interconnection Agreement for Louisiana are hereby deleted and replaced in their entirety with the corresponding rates and rate elements in Exhibit 1.
- 3. The Parties hereby agree to delete Sections 4.2.3, 4.4, 4.6.1, 4.6.1.2, 5.3.2.1, 5.3.2.3 of Attachment 2 of the Interconnection Agreement and replace them with the following:
 - 4.2.3 BellSouth shall provide EEL combinations to NewSouth in the states of Georgia, Kentucky, Louisiana, and Tennessee regardless of whether or not such EELs are Already Combined. In all other states, BellSouth shall make available to NewSouth those EEL combinations described in Section 4.3 below only to the extent such combinations are Already Combined.
 - 4.4 Other Network Element Combinations

In the states of Georgia, Kentucky, Louisiana, and Tennessee BellSouth shall make available to NewSouth, in accordance with Section 4.6 below: (1) combinations of network elements other than EELs that are Already Combined; and (2) combinations of network elements other than EELs that are not Already Combined but that BellSouth ordinarily combines in its network. In all other states, BellSouth shall make available to NewSouth, in accordance with Section 4.5 below, combinations of network elements other than EELs only to the extent such combinations are Already Combined.

- 4.6.1 Georgia, Kentucky, Louisiana, and Tennessee
- 4.6.1.2 For combinations of loop and transport network elements not set forth in Section 4.3, where the elements are not Already Combined but are ordinarily combined in BellSouth's network, the non-recurring and recurring charges for such UNE combinations shall be the sum of the

stand-alone non-recurring and recurring charges of the network elements which make up the combination.

- 5.3.2.1 In Georgia, Kentucky, Louisiana, and Tennessee, BellSouth shall provide to NewSouth combinations of port and loop network elements to NewSouth on an unbundled basis regardless of whether or not such combinations are Currently Combined except in those locations where BellSouth is not required to provide circuit switching, as set forth in Section 5.2.2 above. The rates for such combinations shall be the cost based rates set forth in Exhibit C of this Attachment.
- 5.3.2.3 In all states other than Georgia, Kentucky, Louisiana, and Tennessee, except in those locations where BellSouth is not required to provide unbundled circuit switching, as set forth in Sections 5.2.1 and 5.2.2, BellSouth shall provide to NewSouth combinations of port and loop network elements that are not Currently Combined. The rates for such combinations shall be negotiated by the Parties.
- 4. The Parties agree that all of the other provisions of the Interconnection Agreement, dated May 18, 2001, shall remain in full force and effect.
- 5. The Parties further agree that either or both of the Parties is authorized to submit this Amendment to the Louisiana Public Service Commission or other regulatory body having jurisdiction over the subject matter of this Amendment, for approval subject to Section 252(e) of the federal Telecommunications Act of 1996.

This Amendment is made effective upon the date that it is signed by both Parties.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the data indicated below.

AMENDMENT TO INTERCONNECTION AGREEMENT BETWEEN BELLSOUTH TELECOMMUNICATIONS, INC. AND NEWSOUTH COMMUNICATIONS CORP. DATED MAY 18, 2001

This Agreement (the "Amendment") is made and entered into between BellSouth Telecommunications, Inc. ("BellSouth") a Georgia corporation, and NewSouth Communications, Corp. ("NewSouth") a Delaware corporation. This Amendment shall be deemed effective ten business days following the date of the last signature of both Parties ("Effective Date")

WHEREAS, The Parties desire to amend the Agreement between BellSouth and NewSouth dated May 18, 2001 in order to incorporate rates established by the Florida Public Service Commission ("PSC") in Docket Number 990649-TP, on May 25, 2001 and subsequently amended by the PSC on October 18, 2001

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- 1. The Parties agree that all the rates and rate elements in Attachments 1, 2, 3, 5 and 7 of the Agreement for Florida are hereby deleted and replaced in their entirety with the corresponding rates and rate elements in Exhibit 1, which is attached hereto and incorporated herein by this reference.
- 2. All of the other provisions of the Interconnection Agreement shall remain unchanged and in full force and effect.
- 3. Either or both of the Parties are authorized to submit this Amendment to the appropriate State Public Service Commissions or other Regulatory Agencies for approval subject to Section 252 (e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.

Amendment to the Interconnection Agreement By and Between BellSouth Telecommunications, Inc. And

NewSouth Communications, Corp. Dated May 18, 2001

Pursuant to this Agreement, (the "Amendment"), NewSouth Communications, Corp., ("NewSouth"), and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated May 18, 2001 ("Agreement").

WHEREAS, BellSouth and NewSouth entered into the Agreement on May 18, 2001, and;

WHEREAS, BellSouth and UniversalCom, Inc. entered into an Interconnection Agreement on May 25, 1999, (the "UniversalCom Agreement") and:

WHEREAS, UniversalCom, Inc. was merged into NewSouth on January 1, 2002, and;

WHEREAS, the Parties desire to amend the Agreement to incorporate all accounts of such entities under this Agreement and to terminate the UniversalCom Agreement;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- 1. BellSouth agrees to furnish to NewSouth all services originally provisioned to UniversalCom, Inc. under the UniversalCom Agreement, pursuant to the terms of the Agreement, as amended. These services, and all obligations related thereto, are hereby transferred to NewSouth and will hereafter be controlled by the rates, terms and conditions of the Agreement.
- NewSouth hereby assumes all obligations for services provided to UniversalCom, Inc. under the UniversalCom Agreement and agrees to pay BellSouth pursuant to the Agreement, upon demand, any account security, applicable service ordering charges, future, current, past due and presently outstanding bills

and charges which are attributed either to UniversalCom, Inc. or to NewSouth Communications, Corp. for such services or any new services.

- 5. NewSouth specifically agrees to assume the unexpired portion of the minimum term, and any termination liability, applicable to such services.
- 6. The undersigned is a duly authorized representative of NewSouth and UniversalCom, Inc. and is authorized to bind NewSouth and UniversalCom, Inc. to the terms and conditions contained herein.
- 7. The Parties agree to terminate the UniversalCom, Inc. Agreement on the effective date of this Amendment.
- 8. All of the other provisions of the Agreement, dated May 18, 2001, shall remain in full force and effect.
- Either or both of the Parties is authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.

AMENDMENT TO INTERCONNECTION AGREEMENT BETWEEN BELLSOUTH TELECOMMUNICATIONS, INC. AND NEWSOUTH COMMUNICATIONS CORP. DATED MAY 18, 2001

This Agreement (the "Amendment") is made and entered into between BellSouth Telecommunications, Inc. ("BellSouth") a Georgia corporation, and NewSouth Communications, Corp. ("NewSouth") a Delaware corporation. This Amendment shall be deemed effective as of the date of the last signature of both Parties ("Effective Date").

WHEREAS, The Parties desire to amend the Agreement between BellSouth and NewSouth dated May 18, 2001 in order to incorporate rates established by the North Carolina Utilities Commission ("NCUC") in Docket Number P-100, Sub 133d, on May 1, 2002 and the SGAT dated May 7, 2002.

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- 1. The Parties agree that all the rates and rate elements in Attachment 1, Exhibit G, Attachments 2, Exhibit C, Attachment 3, Exhibit A, Attachment 4, Exhibit A and Attachment 7, Exhibit A of the Agreement for North Carolina are hereby deleted and replaced in their entirety with the corresponding rates and rate elements in Exhibit 1, which is attached hereto and incorporated herein by this reference.
- 2. All of the other provisions of the Interconnection Agreement shall remain unchanged and in full force and effect.
- 3. Either or both of the Parties are authorized to submit this Amendment to the appropriate State Public Service Commissions or other Regulatory Agencies for approval subject to Section 252 (e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.

("BellSouth"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated May 18, 2001 ("Agreement") to be effective the date of the last signature executing the Amendment.

WHEREAS, BellSouth and NewSouth entered into the Agreement on May 18,2001, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- 1. The Parties agree to add to the rates in Exhibit C of Attachment 2, the rates set forth in Exhibit 1 of this Amendment, attached hereto and incorporated herein by this reference.
- 2. All of the other provisions of the Agreement, dated May 18, 2001, shall remain in full force and effect.
- 3. Either or both of the Parties is authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.
- 4. Neither party waives any right to seek clarification from the Commission regarding retroactive application of the rates contained in this Amendment.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed by their respective duly authorized representatives on the date indicated below.

AMENDMENT TO THE

AGREEMENT BETWEEN NEWSOUTH COMMUNICATIONS, CORP.

AND

BELLSOUTH TELECOMMUNICATIONS, INC. DATED MAY 18, 2001

Pursuant to this Amendment, (the "Amendment"), NewSouth Communications, Corp. ("NewSouth"), and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated May 18, 2001 ("Agreement").

WHEREAS, BellSouth and NewSouth entered into the Agreement on May 18, 2001, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

- 1. To add to Attachment 4 Physical Collocation the following to Section 7:
 - 7.7.4 If NewSouth requests a reduction in the amount of power that BellSouth is currently providing, NewSouth must submit a Subsequent Application. If no modification to the Collocation Space is requested other than the reduction in power, the Subsequent Application Fee for Power Reduction as set forth in Exhibit A will apply. If modifications are requested in addition to the reduction of power, the Subsequent Application Fee will apply. This nonrecurring fee will be billed by BellSouth on the date that BellSouth provides an Application Response.
- 2. To add to Exhibit A of Attachment 4 the following rates in Exhibit 1 attached hereto for the States of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee
- 3. All of the other provisions of the Agreement, dated May 18, 2001, shall remain in full force and effect.
- 4. Either or both of the Parties is authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.
