Re: CORRECTION to Termination of Interconnection Agreements filed on August 24, 2021

Ms. Mathews:

This is to inform the Kentucky Public Service Commission ("KPSC") of a correction that needs made to the following list of interconnection agreements with BellSouth Telecommunications, LLC d/b/a AT&T Kentucky, filed with the KPSC, that have been terminated. When AT&T filed the termination letter on 8/24/21, we inadvertently used the wrong Reference No. for Birch Telecom of the South, Inc. It should have been Reference No. 00036 not 00043 as redlined below. Therefore, Fusion Cloud Services, LLC not Birch Telecom of the South, Inc. was removed from the list of active ICAs.

Carrier Name:	Approval Date:	Termination effective as of:	Reference No.
Baldwin County Internet/DSSI Service, L.L.C.	Unable to locate date	7/26/21	00668
Birch Telecom of the South, Inc.	6/27/08	6/30/21	000 <del>36</del> <sup>43</sup>
Ernest Communications, Inc.	Unable to locate date	5/18/21	00069
IDS Telecom Corp.	Unable to locate date	7/26/21	00359
Lightyear Network Solutions, LLC	Unable to locate date	5/18/21	00142
Phoneaid Communications Corp.	4/13/12	4/14/21	01060
SE Acquisitions, LLC d/b/a Lightyear Network Solutions of Kentucky	3/6/09	6/30/21	00524

Could you please see that Fusion Cloud Services, LLC and associated ICA documents are put back on the list of active ICAs ([ICA.pdf \(ky.gov\)](#)) and that Birch Telecom of the South, Inc. is put on the list of inactive ICAs ([InactiveICA.pdf \(ky.gov\)](#)) and remove the Birch Telecom of the South, Inc. interconnection agreements and any associated amendments to the interconnection agreements from the KPSC's website and files.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Sally Briar".
