

**Amendment to the Agreement
Between
1-800-RECONEX, Inc. d/b/a USTEL in
FL, GA, NC, KY, LA, MS, SC, TN and
1-800-RECONEX, Inc. in AL,
and
BellSouth Telecommunications, Inc.
Dated December 13, 2002**

Pursuant to this Amendment, (the "Amendment"), 1-800-RECONEX, Inc. d/b/a USTEL (1-800-RECONEX) in Florida, Georgia, North Carolina, Kentucky, Louisiana, Mississippi, South Carolina and Tennessee and 1-800-RECONEX, Inc. (1-800-RECONEX) in Alabama (1-800-RECONEX), and BellSouth Telecommunications, Inc. ("BellSouth"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated December 13, 2002 ("Agreement") to be effective thirty (30) calendar days after the date of the last signature executing the Amendment.

WHEREAS, BellSouth and 1-800-RECONEX entered into the Agreement on December 13, 2002, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. The parties agree to add the following provision to Attachment 2, Section 4.3 and the associated rates as set forth in Exhibit 1 of this Amendment, attached hereto and incorporated herein by this reference.

4.3.1.1 Where 1-800-RECONEX utilizes portions of the BellSouth network in originating or terminating traffic, the Tandem Switching rates are applied in call scenarios where the Tandem Switching Network Element has been utilized. Because switch recordings cannot accurately indicate on a per call basis when the Tandem Switching Network Element has been utilized for an interoffice call originating from a UNE port and terminating to a BellSouth, Independent Company or Facility-Based CLEC office, BellSouth has developed, based upon call studies, a melded rate that takes into account the average percentage of calls that utilize Tandem Switching in these scenarios. BellSouth shall apply the melded Tandem Switching rate for every call in these scenarios. BellSouth shall utilize the melded Tandem Switching Rate until BellSouth has the capability to measure actual Tandem Switch usage in each call scenario specifically mentioned above, at which point the rate for the actual Tandem Switch usage shall apply. The UNE Call Flows set forth on BellSouth's website, as amended from time to time and incorporated herein by this reference, illustrate when the full or melded Tandem Switching rates apply for specific scenarios.

2. All of the other provisions of the Agreement, dated December 13, 2002, shall remain in full force and effect.

3. Either or both of the Parties are authorized to submit this Amendment to the respective state regulatory authorities for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties have executed this Agreement the day and year written below.

BellSouth Telecommunications, Inc.

1-800-RECONEX, Inc. d/b/a USTEL (1-800-RECONEX) in FL, GA, NC, KY, LA, MS, SC, TN and 1-800-RECONEX, Inc. (1-800-RECONEX) in AL (1-800-RECONEX),
