Rene Thielepape Misty Fruge' State Discount Telephone, L.L.C. 2023 Sam Houston Ave. #2 Huntsville, TX 77340

Dear Ms Thielepape and Ms Fruge':

Verizon South Inc. f/k/a GTE South Incorporated ("Verizon") has received your letter stating that, under Section 252(i) of the Telecommunications Act of 1996 (the "Act"), State Discount Telephone, L.L.C. wishes to adopt the terms of the Interconnection Agreement between Choctaw Communications, Inc d/b/a Smoke Signal Communications and GTE that was approved by the Commission as an effective agreement in the State of Kentucky in Docket No. 99-283 (the "Terms"). I understand you have a copy of the Terms. Please note the following with respect to your adoption of the Terms.

- 1. By your countersignature on this letter, you hereby represent and commit to the following three points:
 - (A) State Discount adopts the Terms of the Choctaw Communications, Inc d/b/a Smoke Signal Communications agreement for interconnection with Verizon and in applying the Terms, agrees that State Discount Telephone, L.L.C. shall be substituted in place of Choctaw Communications, Inc d/b/a Smoke Signal Communications in the Terms wherever appropriate.
 - (B) State Discount requests that notice to State Discount as may be required under the Terms shall be provided as follows:

To: State Discount Telephone, L.L.C. Attention: Rene Thielepape 2023 Sam Houston Ave. #2 Huntsville, TX 77340 TEL: 936/295-9600

TEL: 936/295-9600
FAX: 936/435-9601

- (C) State Discount represents and warrants that it is a certified provider of local telecommunications service in the State of Kentucky, and that its adoption of the Terms will cover services in the State of Kentucky only.
- 2. State Discount's adoption of the Choctaw Communications, Inc d/b/a Smoke Signal Communications Terms shall become effective upon Verizon's filing of this letter with the Kentucky Public Service Commission and remain in effect no longer than the date the Choctaw Communications, Inc d/b/a Smoke Signal Communications Terms are terminated. The Choctaw Communications, Inc d/b/a Smoke Signal Communications agreement is currently scheduled to expire on August 25, 2001.
- 3. As the Terms are being adopted by you pursuant to your statutory rights under section 252(i), Verizon does not provide the Terms to you as either a voluntary or negotiated agreement. The filing and performance by Verizon of the Terms does not in any way constitute a waiver by Verizon of any position as to the Terms or a portion thereof, nor does it constitute a waiver by Verizon of all rights and remedies it may have to seek review of the Terms, or to seek review in any way of any provisions included in these Terms as a result of State Discount's 252(i) election.
- 4. On January 25, 1999, the Supreme Court of the United States ("Court") issued its decision on the appeals of the Eighth Circuit's decision in *Iowa Utilities Board*. Specifically, the Supreme Court modified several of the FCC's and the Eighth Circuit's rulings regarding unbundled network elements and pricing requirements under the Act. *AT&T Corp. v. Iowa Utilities Board*, No. 97-826, 1999 U.S. LEXIS 903 (1999). Certain provisions of the Terms may be void or unenforceable as a result of the Court's decision of January 25, 1999 and the remand of the pricing rules to the United States Eighth Circuit Court of Appeals. Moreover, nothing herein shall be construed as or is intended to be a concession or admission by either Verizon or State Discount that any provision in the Terms complies with the rights

and duties imposed by the Act, the decision of the FCC and the Commissions, the decisions of the courts, or other law, and both Verizon and State Discount expressly reserve their full right to assert and pursue claims arising from or related to the Terms.

- 5. Verizon reserves the right to deny State Discount's adoption and/or application of the Terms, in whole or in part, at any time:
 - (a) when the costs of providing the Terms to State Discount are greater than the costs of providing it to the Choctaw Communications, Inc d/b/a Smoke Signal Communications;
 - (b) if the provision of the Terms to State Discount is not technically feasible; and/or
 - (c) to the extent State Discount already has an existing interconnection agreement (or existing 252(i) adoption) with Verizon and the Terms were approved before the date of approval of the existing interconnection agreement (or the effective date of the existing 252(i) adoption).
- 6. As noted above, pursuant to Rule 809, the FCC gave ILECs the ability to deny 252(i) adoptions in those instances where the cost of providing the service to the requesting carrier is higher than that incurred to serve the initial carrier or there is a technical incompatibility issue. The issue of reciprocal compensation for traffic destined for the Internet falls within this exception. Verizon never intended for Internet traffic passing through a telecommunications carrier to be included within the definition of local traffic and subject to the corresponding obligation of reciprocal compensation. Despite the foregoing, some forums have required reciprocal compensation to be paid. This produces the situation where the cost of providing the service is not cost based. With this in mind, Verizon opposes, and reserves the right to deny, the adoption and/or the application of the provisions of the Terms that might be interpreted to characterize traffic destined for Internet as local traffic or requiring the payment of reciprocal compensation.
- 7. Should State Discount attempt to apply the Terms in a manner that conflicts with paragraphs 3-6 above, Verizon reserves its rights to seek appropriate legal and/or equitable relief.
