RE: Interconnection Agreement with Sun-Tel USA, Inc.
PSC Reference No. 00338

Dear Ms. Keyer:

This letter is to inform you that Sun-Tel USA, Inc. has been made inactive by the Kentucky Public Service Commission. This means that the Kentucky Public Service Commission no longer authorizes Sun-Tel USA, Inc. to provide service in the state. As a result of this action, the Kentucky Public Service Commission will make the Interconnection Agreement between Sun-Tel USA, Inc. and AT&T Kentucky inactive. If, for any reason you object to this action by the Kentucky Public Service Commission, please notify us in writing at the address above, within **10 days**.

Pursuant to 47 U.S.C. §252(e)(2), the Commission finds that the implementation of this agreement is not consistent with the public interest, convenience and necessity, as this Competitive Carrier is not a registered Kentucky utility.

Should you have any questions or need additional information, please contact Jeff Cline at (502) 564-3940, Extension 218.

Sincerely,

Jeff Derouen
Executive Director
