RE: Interconnection Agreement with AT&T Kentucky

Dear Ms. Patterson:

This letter is to inform you that Memphis Networkx, LLC has been made inactive by the Kentucky Public Service Commission. This means that the Kentucky Public Service Commission no longer authorizes Memphis Networkx, LLC to provide service in the state. As a result of this action, the Kentucky Public Service Commission will make the Interconnection Agreement between Memphis Networkx, LLC and AT&T Kentucky inactive. If, for any reason you object to this action by the Kentucky Public Service Commission, please notify us in writing at the address above, within **10 days**.

Pursuant to 47 U.S.C. §252(e)(2), the Commission finds that the implementation of this agreement is not consistent with the public interest, convenience and necessity, as this Competitive Carrier is not a registered Kentucky utility.

Should you have any questions or need additional information, please contact Jeff Cline at (502) 564-3940, Extension 218.

Sincerely,

Jeff Derouen  
Executive Director
