MOBILITY)	

ORDER

On August 23, 2012, Highland Telephone Cooperative, Inc. ("Highland Telephone") filed with the Commission a proposed amendment to the interconnection agreement between Highland Telephone and New Cingular Wireless PCS, LLC ("New Cingular").¹ The amendment was negotiated pursuant to 47 U.S.C. §§ 251 and 252.

The Commission has reviewed the amendment and finds that no portion of the amended agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that implementation of this amendment is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, **HEREBY ORDERS** that the proposed amendment is effective as of the date of this Order.

¹ New Cingular is entering into the agreement on behalf of itself and its Commercial Mobile Radio Service operating affiliates d/b/a AT&T Mobility (collectively "AT&T Mobility"), as successor in interest to Westel-Milwaukee Company, Inc.
