## **GENERAL TERMS AND CONDITIONS**

This Agreement ("Agreement") is entered between Access Point, Inc. ("Access Point"), a North Carolina corporation, having an office 1100 Crescent Green Suite 109 Cary, NC 27518 and Windstream Kentucky East, LLC ("Windstream"), having an office at 4001 Rodney Parham Road, Little Rock, Arkansas, 72212 hereinafter referred to collectively as the "Parties".

**WHEREAS**, pursuant to the Telecommunications Act of 1996 (the Act), the Parties wish to establish terms for the provision of certain services and Ancillary Functions as designated in the Attachments hereto.

**NOW, THEREFORE**, in consideration of the premises and the mutual covenants of this Agreement, the Parties hereby agree as follows:

### **1.0 Introduction**

- 1.1 This Agreement, in accordance with §§ 251 (a) and (b) of the Act, sets forth the terms, conditions and prices under which Windstream may provide Access Point (a) services for resale (hereinafter referred to as Resale Services), and (b) Ancillary Functions. The specific services, functions, or facilities which Windstream agrees to provide are those specifically identified in appendixes attached to this Agreement, and executed simultaneously with this general terms and conditions. Further this Agreement sets forth the terms, conditions, and prices under which Access Point will provide services to Windstream, where applicable.
- 1.2 This Agreement includes and incorporates herein the Attachments of this Agreement, and all accompanying Appendices, Addenda and Exhibits.
- 1.3 The Parties acknowledge and agree that by entering into and performing in accordance with this Agreement, Windstream has not waived or relinquished any applicable exemptions that are provided by or available under the Act, including but not limited to those described in § 251(f) of the Act, or under state law.
- 1.4 Prior to execution of this Agreement, Access Point agrees to provide Windstream in writing Access Point's certification for the state covered by this Agreement prior to the filing of this Agreement with the appropriate Commission for approval.

### **2.0 Effective Date**

- 2.1 The effective date of this Agreement will be the first business day following receipt of final approval of this Agreement by the relevant state Commission or, where approval by such state Commission is not required, the date that both Parties have executed the Agreement.

### **3.0 Intervening Law**

- 3.1 This Agreement is entered into as a result of private negotiations between the Parties, acting pursuant to the Act, and/or other applicable state laws or Commission rulings. If the actions of state or federal legislative bodies, courts, or regulatory agencies of competent jurisdiction invalidate, modify, or stay the enforcement of laws or regulations that were the basis for a provision of this Agreement, the affected provision will be invalidated, modified, or stayed as required by action of the legislative body, court, or regulatory agency. In such event, the Parties shall in good faith attempt to arrive at an agreement respecting the modifications to the Agreement required. If negotiations fail, disputes between the Parties concerning the interpretation of the actions required or provisions affected by such governmental actions will be resolved pursuant to any process available to the Parties under law, provided that the Parties may mutually agree to use the dispute resolution process provided for in this Agreement.

#### **4.0     Term of Agreement**

- 4.1     The Parties agree to the provisions of this Agreement for an initial term of one (1) year from the Effective Date of this Agreement, and thereafter on a month to month basis, unless terminated or modified pursuant to the terms and conditions of this Agreement.
- 4.2     Either Party may request for this Agreement to be renegotiated upon the expiration of the initial one (1) year term or upon any termination of this Agreement. The Party desiring renegotiation shall provide written notice to the other Party. Not later than thirty (30) days from receipt of said notice, the receiving Party will acknowledge receipt of the written notice and the Parties will commence negotiation, which shall be conducted in good faith. Except in cases in which this Agreement has been terminated for Default pursuant to Section 4.6 or has been terminated for any reason not prohibited by law pursuant to Section 4.5.
- 4.3     If, within one hundred and thirty-five (135) days of commencing the negotiation referred to in Section 4.2 above, the Parties are unable to negotiate new terms, conditions and prices for a Subsequent Agreement, either Party may petition the applicable state Commission to establish appropriate terms, conditions and prices for the Subsequent Agreement pursuant to 47 U.S.C. 252. Should the Commission decline jurisdiction, either Party may petition the FCC under the Act or resort to a commercial provider of arbitration services.
- 4.4     If either Party has requested negotiations and the Parties have not executed a subsequent agreement or filed arbitration at the applicable state commission, then this Agreement will terminate upon the date the arbitration window closes (the 160<sup>th</sup> day). Access Point will execute Windstream's then current standard interconnection agreement with an effective date of the next day following the close of the arbitration window. Failure by Access Point to execute Windstream's then current standard interconnection agreement will result in termination of all services provided by Windstream to Access Point.
- 4.5     After completion of the initial one (1) year term, this Agreement may be terminated by either Party for any reason not prohibited by law upon sixty (60) days written notice to the other Party. By mutual agreement, the Parties may amend this Agreement in writing to modify its terms.
- 4.6     In the event of Default or Abandonment, as defined in this §4.6, the non-defaulting Party may terminate this Agreement provided that the non-defaulting Party so advises the defaulting Party in writing ("Default Notice") of the event of the alleged Default and the defaulting Party does not cure the alleged Default within five (5) days after receipt of the Default Notice thereof. Default is defined as:
- 4.6.1     Either Party's insolvency or initiation of bankruptcy or receivership proceedings by or against the Party;
- 4.6.2     A decision under Section 6.0, Dispute Resolution of Attachment 2 (Resale), that a Party has materially breached any of the terms or conditions hereof, or
- 4.6.3     A Party has notified the other Party in writing of the other Party's material breach of any of the material terms hereof, and the default remains uncured for five (5) days from receipt of such notice, provided, however, that if the alleged material breach involves a material interruption to, or a material degradation of, the E911 services provided under this Agreement, the cure period shall be five (5) days from receipt of such notice.
- 4.6.4     Illegal use or taking of facilities is considered a material breach of this Agreement and termination of the Agreement will occur.

In addition, this Agreement shall be null and void if Access Point has not placed an order for a service or facility or terminated traffic hereunder by one (1) year following Effective Date. If Access Point has not placed an order for a service, a facility, or

terminated traffic within one (1) year, Windstream shall provide Access Point with notice of Windstream's intent to terminate the Agreement. Access Point shall have thirty (30) calendar days to indicate in writing to Windstream that Access Point intends to place orders or terminate traffic within thirty (30) calendar days. If Access Point cannot meet this timeframe for placing orders or terminating traffic, the Agreement will be terminated. If Access Point does not intend to place orders or terminate traffic, this Agreement shall be deemed suspended and Windstream shall apply to the Commission to terminate the Agreement.

## **5.0 Assignment**

- 5.1 Any assignment by either Party to any non-affiliated entity of any right, obligation or duty, or of any other interest hereunder, in whole or in part, without the prior written consent of the other Party shall be void. A Party may assign this Agreement in its entirety to an Affiliate of the Party without the consent of the other Party; provided, however, that the assigning Party shall notify the other Party in writing of such assignment thirty (30) days prior to the Effective Date thereof and, provided further, if the assignee is an assignee of Access Point, the assignee must provide evidence of Commission CLEC certification. The Parties shall amend this Agreement to reflect such assignments and shall work cooperatively to implement any changes required due to such assignment. All obligations and duties of any Party under this Agreement shall be binding on all successors in interest and assigns of such Party. No assignment or delegation hereof shall relieve the assignor of its obligations under this Agreement in the event that the assignee fails to perform such obligations. Notwithstanding anything to the contrary in this Section, Access Point shall not assign this Agreement to any Affiliate or non-affiliated entity unless either (1) Access Point pays all bills, past due and current, under this Agreement, or (2) Access Point's assignee expressly assumes liability for payment of such bills.
- 5.2 As a minimum condition of any assignment or transfer of this Agreement (or any rights hereunder) that is permitted under or consented to by Windstream pursuant to this Section 5, Access Point agrees that any change, modification or other activity required for Windstream to accommodate or recognize the successor to or assignee of Access Point shall be a CLEC Change. Windstream shall have no obligation to proceed with such activities nor shall any otherwise acceptable assignment or transfer be effective against Windstream until the Parties agree upon the charges that apply to such CLEC Change.
- 5.3 In the event that Access Point makes any corporate name change (whether it involves a merger, consolidation, assignment or transfer, and including addition or deletion of a d/b/a), change in OCN/AECN, or makes or accepts a transfer or assignment of interconnection trunks or facilities (including leased facilities), or a change in any other CLEC identifier (collectively, a "CLEC Change"), Access Point shall submit written notice to Windstream within thirty (30) days of the first action taken to implement such CLEC Change. Within thirty (30) days following receipt of that notice, the Parties shall negotiate rates to compensate Windstream for the expenses to be incurred by Windstream to make the CLEC Change to the applicable Windstream databases, systems, records and/or recording announcement(s) for Access Point branded/repair calls. In addition, Access Point shall compensate Windstream for any service order charges and/or service request charges, as specified in Windstream's applicable tariff, associated with such CLEC Change. Windstream's agreement to implement a CLEC Change is conditioned upon Access Point's agreement to pay all reasonable charges billed to Access Point for such CLEC Change.

## **6.0 Confidential and Proprietary Information**

- 6.1 For the purposes of this Agreement, confidential information means confidential or proprietary technical, Customer, End User, or network information given by one Party (the "Discloser") to the other (the "Recipient"), which is disclosed by one Party to the other in connection with this Agreement, during negotiations and the term of this Agreement ("Confidential Information"). Such Confidential Information shall automatically be deemed proprietary to the Discloser and

subject to this § 6.0, unless otherwise confirmed in writing by the Discloser. All other information, which is indicated and marked, as Confidential Information at the time of disclosure shall also be treated as Confidential Information under § 6.0 of this Agreement. The Recipient agrees (i) to use Confidential Information only for the purpose of performing under this Agreement, (ii) to hold it in confidence and disclose it to no one other than its employees having a need to know for the purpose of performing under this Agreement, and (iii) to safeguard it from unauthorized use or disclosure using at least the same degree of care with which the Recipient safeguards its own Confidential Information. If the Recipient wishes to disclose the Discloser's Confidential Information to a third-party agent or consultant, such disclosure must be agreed to in writing by the Discloser, and the agent or consultant must have executed a written agreement of nondisclosure and nonuse comparable to the terms of this Section.

- 6.2 The Recipient may make copies of Confidential Information only as reasonably necessary to perform its obligations under this Agreement. All such copies will be subject to the same restrictions and protections as the original and will bear the same copyright and proprietary rights notices as are contained on the original.
- 6.3 The Recipient agrees to return all Confidential Information to the Discloser in tangible form received from the Discloser, including any copies made by the Recipient within thirty (30) days after a written request is delivered to the Recipient, or to destroy all such Confidential Information if directed to do so by Discloser except for Confidential Information that the Recipient reasonably requires to perform its obligations under this Agreement. If either Party loses or makes an unauthorized disclosure of the other Party's Confidential Information, it will notify such other party immediately and use reasonable efforts to retrieve the lost or wrongfully disclosed information.
- 6.4 The Recipient will have no obligation to safeguard Confidential Information: (i) which was in the possession of the Recipient free of restriction prior to its receipt from the Discloser; (ii) after it becomes publicly known or available through no breach of this Agreement by the Recipient, (iii) after it is rightfully acquired by the Recipient free of restrictions on its disclosure, or (iv) after it is independently developed by personnel of the Recipient to whom the Discloser's Confidential Information had not been previously disclosed. In addition, either Party will have the right to disclose Confidential Information to any state or federal regulatory body, or a court in the conduct of approval of this Agreement, as long as, in the absence of an applicable protective order, the Discloser has been previously notified by the Recipient in time sufficient for the Recipient to undertake lawful measures to avoid disclosing such information and for Discloser to have reasonable time to seek or negotiate a protective order before or with any applicable state or regulatory body or a court.
- 6.5 The Parties recognize that an individual End User may simultaneously seek to become or be a Customer of both Parties. Nothing in this Agreement is intended to limit the ability of either Party to use Customer specific information lawfully obtained from End Users or sources other than the Discloser.
- 6.6 Each Party's obligations to safeguard Confidential Information disclosed prior to expiration or termination of this Agreement will survive such expiration or termination for a period of three (3) years.
- 6.7 Except as otherwise expressly provided elsewhere in this Agreement, no license is hereby granted with respect to any patent, trademark, or copyright, nor is any such license implied solely by virtue of the disclosure of any Confidential Information.
- 6.8 Each Party agrees that the Discloser may be irreparably injured by a disclosure in breach of this Agreement by the Recipient or its representatives and the Discloser will be entitled to seek equitable relief, including injunctive relief and specific performance, in the event of any breach or threatened breach of the confidentiality provisions of this Agreement. Such remedies will not be deemed to be the exclusive remedies for a breach of this Agreement, but will be in addition to all other remedies available at law or in equity.

## **7.0 Liability and Indemnification**

### **7.1 Limitation of Liabilities**

With respect to any claim or suit for damages arising out of mistakes, omissions, defects in transmission, interruptions, failures, delays or errors occurring in the course of furnishing any service hereunder, the liability of the Party furnishing the affected service, if any, shall not exceed an amount equivalent to the proportionate charge to the other Party for the period of that particular service during which such mistakes, omissions, defects in transmission, interruptions, failures, delays or errors occurs and continues; provided, however, that any such mistakes, omissions, defects in transmission, interruptions, failures, delays, or errors which are caused by the gross negligence or willful, wrongful act or omission of the complaining Party or which arise from the use of the complaining Party's facilities or equipment shall not result in the imposition of any liability whatsoever upon the other Party furnishing service.

### **7.2 No Consequential Damages**

**EXCEPT AS SPECIFICALLY PROVIDED IN THIS AGREEMENT, NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, RELIANCE, OR SPECIAL DAMAGES SUFFERED BY SUCH OTHER PARTY (INCLUDING WITHOUT LIMITATION DAMAGES FOR HARM TO BUSINESS, LOST REVENUES, LOST SAVINGS, OR LOST PROFITS SUFFERED BY SUCH OTHER PARTY), REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, WARRANTY, STRICT LIABILITY, OR TORT, INCLUDING WITHOUT LIMITATION NEGLIGENCE OF ANY KIND WHETHER ACTIVE OR PASSIVE, AND REGARDLESS OF WHETHER THE PARTIES KNEW OF THE POSSIBILITY THAT SUCH DAMAGES COULD RESULT. EACH PARTY HEREBY RELEASES THE OTHER PARTY (AND SUCH OTHER PARTY'S SUBSIDIARIES AND AFFILIATES, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, AND AGENTS) FROM ANY SUCH CLAIM. NOTHING CONTAINED IN THIS SECTION WILL LIMIT EITHER PARTY'S LIABILITY TO THE OTHER PARTY FOR (i) WILLFUL OR INTENTIONAL MISCONDUCT (INCLUDING GROSS NEGLIGENCE) OR (ii) BODILY INJURY, DEATH, OR DAMAGE TO TANGIBLE REAL OR TANGIBLE PERSONAL PROPERTY.**

### **7.3 Obligation to Indemnify**

7.3.1 Each Party shall be indemnified and held harmless by the other Party against claims, losses, suits, demands, damages, costs, expenses, including reasonable attorneys' fees ("Claims"), asserted, suffered, or made by third parties arising from any act or omission of the indemnifying Party in connection with its performance or non-performance under this Agreement, unless such act or omission was caused by the negligence or willful misconduct of the indemnified Party. Each Party shall also be indemnified and held harmless by the other Party against claims and damages of persons for services furnished by the indemnifying Party or by any of its subcontractors, under worker's compensation laws or similar statutes.

7.3.2 Each Party agrees to release, defend, indemnify, and hold harmless the other Party from any claims, demands or suits that asserts any infringement or invasion of privacy or confidentiality of any person or persons caused or claimed to be caused, directly or indirectly, by the Indemnifying Party's employees and equipment associated with the provision of any service herein. This provision includes but is not limited to suits arising from unauthorized disclosure of the End User's name, address, or telephone number.

- 7.3.3 When the lines or services of other companies and carriers are used in establishing connections to and/or from points not reached by a Party's lines, neither Party shall be liable to the other Party for any act or omission of the other companies or carriers.

7.4 **Obligation to Defend; Notice; Cooperation**

Whenever a claim arises for indemnification under this Section (the "Claim"), the relevant Indemnatee, as appropriate, will promptly notify the Indemnifying party and request the Indemnifying Party to defend the same. Failure to so notify the Indemnifying Party will not relieve the Indemnifying Party of any liability that the Indemnifying Party might have, except to the extent that such failure prejudices the Indemnifying Party's rights or ability to defend such Claim. The Indemnifying Party will have the right to defend against such Claim in which event the Indemnifying Party will give written notice to the Indemnatee of acceptance of the defense of such Claim and the identity of counsel selected by the Indemnifying Party. Except as set forth below, such notice to the relevant Indemnatee will give the Indemnifying Party full authority to defend, adjust, compromise, or settle such Claim with respect to which such notice has been given, except to the extent that any compromise or settlement might prejudice the Intellectual Property Rights or other rights of the relevant Indemnities. The Indemnifying Party will consult with the relevant Indemnatee prior to any compromise or settlement that would affect the Intellectual Property Rights or other rights of any Indemnatee, and the relevant Indemnatee will have the right to refuse such compromise or settlement and, at such Indemnatee's sole cost, to take over defense of such Claim. Provided, however, that in such event the Indemnifying Party will not be responsible for, nor will it be obligated to indemnify the relevant Indemnatee against any damages, costs, expenses, or liabilities, including without limitation, attorneys' fees, in excess of such refused compromise or settlement. With respect to any defense accepted by the Indemnifying Party, the relevant Indemnatee will be entitled to participate with the Indemnifying Party in such defense if the Claim requests equitable relief or other relief (other than monetary damages) that could affect the rights of the Indemnatee and also will be entitled to employ separate counsel for such defense at such Indemnatee's expense. In the event the Indemnifying Party does not accept the defense of any indemnified Claim as provided above, the relevant Indemnatee will have the right to employ counsel for such defense at the expense of the Indemnifying Party, and the Indemnifying Party shall be liable for all costs associated with Indemnatee's defense of such Claim including court costs, and any settlement or damages awarded a third party. Each Party agrees to cooperate and to cause its employees and agents to cooperate with the other Party in the defense of any such Claim.

**8.0 Payment of Rates and Late Payment Charges**

- 8.1 Windstream, at its discretion may require Access Point to provide Windstream a security deposit to ensure payment of Access Point's account. The security deposit must be an amount equal to three (3) months anticipated charges (including, but not limited to, recurring, non-recurring, termination charges and advance payments), as reasonably determined by Windstream
- 8.1.1 Such security deposit shall be a cash deposit or other form of security acceptable to Windstream. Any such security deposit may be held during the continuance of the service as security for the payment of any and all amounts accruing for the service.
- 8.1.2 If a security deposit is required, such security deposit shall be made prior to the activation of service.
- 8.1.3 The fact that a security deposit has been provided in no way relieves Access Point from complying with Windstream's regulations as to advance payments and the prompt payment of bills on presentation nor does it constitute a waiver or modification of the regular practices of Windstream providing for the discontinuance of service for non-payment of any sums due Windstream.

- 
- 8.1.4 Windstream reserves the right to increase the security deposit requirements when, in its sole judgment, circumstances so warrant and/or gross monthly billing has increased beyond the level initially used to determine the security deposit. Failure to pay said increase may lead to suspension of order acceptance and possible discontinuance of service.
- 8.1.5 In the event that Access Point is in breach of this Agreement, service to Access Point may be terminated by Windstream; any security deposits applied to its account and Windstream may pursue any other remedies available at law or equity.
- 8.1.6 Notwithstanding anything else set forth in this Agreement, if Windstream makes a request for a security deposit in accordance with the terms of this section, then Windstream shall have no obligation thereafter to perform under this Agreement until such time as Access Point has provided Windstream with such security deposit.
- 8.1.7 In the case of a cash deposit, interest at a rate as set forth in the appropriate Windstream tariff shall be paid to Access Point during the possession of the security deposit by Windstream. Interest on a security deposit shall accrue annually and, if requested, shall be annually credited to Access Point by the accrual date.
- 8.2 Windstream may, but is not obligated to, draw on the security deposit, as applicable, upon the occurrence of any one of the following events.
- 8.2.1 Access Point owes Windstream all charges under this Agreement that are more than fifteen (15) calendar days past due; or
- 8.2.2 Access Point admits its inability to pay its debts as such debts become due, has commenced a voluntary case (or has had an involuntary case commenced against it) under the U.S. Bankruptcy Code or any other law relating to insolvency, reorganization, wind-up, composition or adjustment of debts or the like, has made an assignment for the benefit of creditors or, is subject to a receivership or similar proceeding; or
- 8.2.3 The expiration or termination of this Agreement.
- 8.2.4 If Windstream draws on the security deposit, as provided in section 8.2.1 or 8.2.2 above, upon request by Windstream, Access Point shall provide a replacement conforming to the requirements of Section 8.1.1.
- 8.3 Except as otherwise specifically provided elsewhere in this Agreement, the Parties will pay all rates and charges due and owing under this Agreement within thirty (30) days of the invoice date in immediately available funds. The Parties represent and covenant to each other that all invoices will be promptly processed and mailed in accordance with the Parties' regular procedures and billing systems.
- 8.3.1 If the payment due date falls on a Sunday or on a Holiday which is observed on a Monday, the payment due date shall be the first non-Holiday following such Sunday or Holiday. If the payment due date falls on a Saturday or on a Holiday which is observed on Tuesday, Wednesday, Thursday, or Friday, the payment due date shall be the last non-Holiday preceding such Saturday or Holiday. If payment is not received by the payment due date, a late penalty, as set forth in § 8.5 below, will be assessed.
- 8.4 If the amount billed is received by the billing Party after the payment due date or if any portion of the payment is received by the billing Party in funds which are not immediately available to the billing Party, then a late payment charge will apply to the unpaid balance.
- 8.5 Except as otherwise specifically provided in this Agreement interest on overdue invoices will apply at the lesser of the highest interest rate (in decimal value) which may be levied by law for commercial transactions, compounded daily and applied for each month or portion thereof that an

outstanding balance remains, or shall not exceed 0.0004930 compounded daily and applied for each month or portion thereof that an outstanding balance remains.

## **9.0     Notices**

- 9.1     Except as otherwise specifically provided in this Agreement, all notices, consents, approvals, modifications, or other communications to be given under the terms of this Agreement shall be in writing and sent postage prepaid by registered mail return receipt requested. Notice may also be effected by personal delivery or by overnight courier. All notices will be effective upon receipt. All notices shall be directed to the following:

**If to Access Point:**

Jared Welch  
1100 Crescent Green  
Suite 109  
Cary, North Carolina 27518  
919-851-4838

**If to Windstream:**

Windstream  
Attn: Staff Manager Interconnection  
4001 Rodney Parham Road  
1170 B1F212-12A  
Little Rock, Arkansas 72212

- 9.2     Either Party may unilaterally change its designated representative and/or address for the receipt of notices by giving seven (7) days prior written notice to the other Party in compliance with this Section.

## **10.0     Taxes**

- 10.1     Each Party purchasing services hereunder shall pay or otherwise be responsible for all federal, state, or local sales, use, excise, gross receipts, transaction or similar taxes, fees or surcharges (hereinafter "Tax") levied against or upon such purchasing Party (or the providing Party when such providing Party is permitted to pass along to the purchasing Party such taxes, fees or surcharges), except for any tax on either Party's corporate existence, status or income. Whenever possible, these amounts shall be billed as a separate item on the invoice. Purchasing Party may be exempted from certain taxes if purchasing Party provides proper documentation, e.g., reseller certificate, from the appropriate taxing authority. Failure to timely provide said resale tax exemption certificate will result in no exemption being available to the purchasing Party until such time as the purchasing Party presents a valid certification.
- 10.2     With respect to any purchase of services, facilities or other arrangements, if any Tax is required or permitted by applicable law to be collected from the purchasing party by the providing party, then (i) the providing party shall bill the purchasing party for such Tax, (ii) the purchasing party shall remit such Tax to the providing party and (iii) the providing party shall remit such collected Tax to the applicable taxing authority, except as otherwise indicated below.
- 10.3     The Parties agree that each Party shall generally be responsible for collecting and remitting to the appropriate city, any franchise fees or taxes for use of city rights of way, in accordance with the terms of that Party's franchise agreement. If a city attempts to impose a franchise fee on the Windstream revenues that it receives from Access Point with respect to resold services, Access Point will collect, if required, the related franchise fees from its Customers and remit them to Windstream. In the event a city attempts to require both Windstream and Access Point to pay

franchise fees on the same revenues with respect to resold services then the parties agree to cooperate in opposing such double taxation.

- 10.4 With respect to any purchase hereunder of services, facilities or arrangements that are resold to a third party, if any Tax is imposed by applicable law on the End User in connection with any such purchase, then (i) the purchasing party shall be required to impose and/or collect such Tax from the End User and (ii) the purchasing party shall remit such Tax to the applicable taxing authority. The purchasing party agrees to indemnify and hold harmless the providing party on an after-tax basis for any costs incurred by the providing party as a result of actions taken by the applicable taxing authority to collect the Tax from the providing party due to the failure of the purchasing party to pay or collect and remit such tax to such authority.
- 10.5 If the providing party fails to collect any Tax as required herein, then, as between the providing party and the purchasing party, (i) the purchasing party shall remain liable for such uncollected Tax and (ii) the providing party shall be liable for any penalty and interest assessed with respect to such uncollected Tax by such authority. However, if the purchasing party fails to pay any taxes properly billed, then, as between the providing party and the purchasing party, the purchasing party will be solely responsible for payment of the taxes, penalty and interest.
- 10.6 If the purchasing party fails to impose and/or collect any Tax from End Users as required herein, then, as between the providing party and the purchasing party, the purchasing party shall remain liable for such uncollected Tax and any interest and penalty assessed thereon with respect to the uncollected Tax by the applicable taxing authority. With respect to any Tax that the purchasing party has agreed to pay or impose on and/or collect from End Users, the purchasing party agrees to indemnify and hold harmless the providing party on an after-tax basis for any costs incurred by the providing party as a result of actions taken by the applicable taxing authority to collect the Tax from the providing Party due to the failure of the purchasing party to pay or collect and remit such Tax to such authority.
- 10.7 All notices, affidavits, exemption certificates or other communications required or permitted to be given by either Party to the other under this Section shall be made in writing and sent postage prepaid by registered mail return receipt requested. All notices shall be effective upon receipt. All notices under this Section shall be directed to the following:

**To Windstream:**

Windstream  
Attn: Director State and Local Taxes  
4001 Rodney Parham Road  
1170 B1F03-70A  
Little Rock, Arkansas 72212

**Copy to:**

Windstream  
Attn: Staff Manager Interconnection  
4001 Rodney Parham Road  
1170 B1F212-12A  
Little Rock, Arkansas 72212

**To Access Point:**

Jason Brown  
1100 Crescent Green  
Suite 109  
Cary, North Carolina 27518  
919-851-4838

- 10.8 Either Party may unilaterally change its designated representative and/or address for the receipt of notices under this Section by giving seven (7) days prior written notice to the other Party in compliance with this Section.

#### **11.0 Force Majeure**

- 11.1 Except as otherwise specifically provided in this Agreement, neither Party shall be liable for delays or failures in performance resulting from acts or occurrences beyond the reasonable control of such Party, regardless of whether such delays or failures in performance were foreseen or foreseeable as of the date of this Agreement, including, without limitation: fire, explosion, power failure, acts of God, war, revolution, civil commotion, or acts of public enemies; epidemics, riots, insurrections, earthquakes, tornadoes, hurricanes, nuclear accidents, floods, or labor unrest, including, without limitation strikes, slowdowns, picketing or boycotts or delays caused by the other Party or by other service or equipment vendors; or any other similar circumstances beyond the Party's reasonable control. In such event, the Party affected shall, upon giving prompt notice to the other Party, be excused from such performance on a day-to-day basis to the extent of such interference (and the other Party shall likewise be excused from performance of its obligations on a day-for-day basis to the extent such Party's obligations relate to the performance so interfered with). The affected Party shall use its reasonable commercial efforts to avoid or remove the cause of nonperformance and both Parties shall proceed to perform with dispatch once the causes are removed or cease.

#### **12.0 Publicity**

- 12.1 The Parties agree not to use in any advertising or sales promotion, press releases or other publicity matters, any endorsements, direct or indirect quotes or pictures implying endorsement by the other Party or any of its employees without such Party's prior written approval. The Parties will submit to each other for written approval, prior to publication, all such publicity endorsement matters that mention or display the other's name and/or marks or contain language from which a connection to said name and/or marks may be inferred or implied.
- 12.2 Neither Party will offer any services using the trademarks, service marks, trade names, brand names, logos, insignia, symbols or decorative designs of the other Party or its affiliates without the other Party's written authorization.

#### **13.0 Network Maintenance and Management**

- 13.1 The Parties will work cooperatively to implement this Agreement. The Parties will exchange appropriate information (e.g., maintenance contact numbers, network information, information required to comply with law enforcement and other security agencies of the Government, etc.) to achieve this desired reliability, subject to the confidentiality provisions herein.
- 13.2 Each Party will provide a 24-hour contact number for Network Traffic Management issues to the other's surveillance management center. A facsimile (FAX) number must also be provided to facilitate event notifications for planned mass calling events. Additionally, both Parties agree that they will work cooperatively to ensure that all such events will attempt to be conducted in such a manner as to avoid disruption or loss of service to other End Users.

13.2.1 **24 Hour Network Management Contact:**

**For Windstream:**

<b>Contact Number:</b>	330-650-7929
<b>Facsimile Number:</b>	330-650-7918

**For Access Point:**

**Contact Number:** 800-957-6468  
**Facsimile Number:** 919-851-5422

- 13.3 Neither Party will use any service provided under this Agreement in a manner that impairs the quality of service to other carriers or to either Party's subscribers. Either Party will provide the other Party notice of said impairment at the earliest practicable time.

**14.0 Law Enforcement and Civil Process****14.1 Intercept Devices**

Local and federal law enforcement agencies periodically request information or assistance from local service providers. When either Party receives a request associated with a Customer of the other Party, the receiving Party will refer such request to the appropriate Party, unless the request directs the receiving Party to attach a pen register, trap-and-trace or form of intercept on the Party's own facilities, in which case that Party will comply with any valid requirement, to the extent the receiving party is able to do so; if such compliance requires the assistance of the other Party such assistance will be provided.

**14.2 Subpoenas**

If a Party receives a subpoena for information concerning an End User the Party knows to be an End User of the other Party, the receiving Party will refer the subpoena to the requesting entity with an indication that the other Party is the responsible company. In the event a Party requests (requesting Party) that the other Party provide (providing Party) the information requested in the subpoena, the requesting Party shall pay the providing Party all costs of providing such information.

**14.3 Law Enforcement Emergencies**

If a Party receives a request from a law enforcement agency to implement at its switch a temporary number change, temporary disconnect, or one-way denial of outbound calls for an End User of the other Party, the receiving Party will comply so long as it is a valid emergency request. Neither Party will be held liable for any claims or damages arising from compliance with such requests, and the Party serving the End User agrees to indemnify and hold the other Party harmless against any and all such claims.

**15.0 Changes in Subscriber Carrier Selection**

- 15.1 Each Party will abide by applicable state or federal laws and regulations in obtaining End User authorization prior to changing End User's Access Point to itself and in assuming responsibility for any applicable charges as specified in § 258 (b) of the Telecommunications Act of 1996. Either Party shall make authorization available to the other Party upon request and at no charge.
- 15.2 Either Party can initiate a challenge to a change in its local exchange service provider. If an End User notifies either Party that the End User requests local exchange service, the Party receiving such request shall be free to immediately provide service to such End User.
- 15.3 When an End User changes or withdraws authorization, each Party will release Customer specific facilities in accordance with the Customers' direction or the End User's authorized agent. Further, when an End User abandons the premise, Windstream is free to reclaim the facilities for use by another Customer and is free to issue service orders required to reclaim such facilities.

- 15.4 Subject to applicable rules, orders, and decisions, Windstream will provide Access Point with access to Customer Proprietary Network Information ("CPNI") for Windstream End Users upon Access Point providing Windstream a signed Letter of Authorization ("LOA") for Windstream's Customer of record.
- 15.4.1 The Parties agree that they will conform to FCC and/or state regulations regarding the information provided on the LOA, the provisioning of CPNI between the Parties, and regarding the use of that information by the requesting Party.
- 15.4.2 The requesting Party will document End User permission obtained to receive CPNI, whether or not the End User has agreed to change Local Service Providers.
- 15.4.3 CPNI requests will be processed and responded to by each Party in parity. Access Point will provide the same CPNI to Windstream that Windstream provides Access Point.
- 15.4.4 If the Parties do not agree that Access Point requested CPNI for a specific End User, or that Windstream has erred in not accepting proof of an LOA, the Parties may immediately request dispute resolution in accordance with Section 6.0, Dispute Resolution, of Attachment 2, (Resale).
- 15.5 Windstream will only accept an LOA for a Windstream Customer of record. Access Point may not delegate its obligation to obtain written authorization from Windstream's Customer of record to a third party.

## **16.0 Amendments or Waivers**

- 16.1 Except as otherwise provided in this Agreement, no amendment to this Agreement will be effective unless the same is in writing and signed by an authorized representative of each Party. In addition, no course of dealing or failure of a Party strictly to enforce any term, right or condition of this Agreement will be construed as a waiver of such term, right, or condition. The Parties recognize that Windstream is a 2 % Rural Telephone Company and is entitled to all rights afforded 2% Rural Telephone Companies under the Act including, but not limited to, exemptions, suspensions, and modifications under 47 USC § 251(f). This Agreement does not affect, and Windstream does not waive, any rights including, but not limited to, the rights afforded Windstream under 47 USC § 251(f). The Parties enter into this Agreement without prejudice to any positions they have taken previously, or may take in the future in any legislative, regulatory, other public forum, contract negotiation, or bona fide request, including matters related to the types of arrangements prescribed by this Agreement.

## **17.0 Authority**

- 17.1 Each person whose signature appears below represents and warrants that he or she has authority to bind the Party on whose behalf he or she has executed this Agreement.

## **18.0 Binding Effect**

- 18.1 This Agreement will be binding on and inure to the benefit of the respective successors and permitted assigns of the Parties.

**19.0    Consent**

19.1    Where consent, approval, or mutual agreement is required of a Party, it will not be unreasonably withheld or delayed.

**20.0    Expenses**

20.1    Except as specifically set out in this Agreement, each party will be solely responsible for its own expenses involved in all activities related to the subject of this Agreement.

**21.0    Headings**

21.1    The headings in this Agreement are inserted for convenience and identification only and will not be considered in the interpretation of this Agreement.

**22.0    Relationship of Parties**

22.1    This Agreement will not establish, be interpreted as establishing, or be used by either Party to establish or to represent their relationship as any form of agency, partnership or joint venture. Neither Party will have any authority to bind the other Party, nor to act as an agent for the other Party unless written authority, separate from this Agreement, is provided. Nothing in the Agreement will be construed as providing for the sharing of profits or losses arising out of the efforts of either or both of the Parties. Nothing herein will be construed as making either Party responsible or liable for the obligations and undertakings of the other Party.

**23.0    Conflict of Interest**

23.1    The Parties represent that no employee or agent of either Party has been or will be employed, retained, paid a fee, or otherwise received or will receive any personal compensation or consideration from the other Party, or any of the other Party's employees or agents in connection with the arranging or negotiation of this Agreement or associated documents.

**24.0    Multiple Counterparts**

24.1    This Agreement may be executed in multiple counterparts, each of which will be deemed an original but all of which will together constitute but one, and the same document.

**25.0    Third Party Beneficiaries**

25.1    Except as may be specifically set forth in this Agreement, this Agreement does not provide and will not be construed to provide third parties with any remedy, claim, liability, reimbursement, cause of action, or other privilege.

**26.0    Regulatory Approval**

26.1    Each Party agrees to cooperate with the other Party and with any regulatory agency to obtain regulatory approval. During the term of this Agreement, each Party agrees to continue to cooperate with the other Party and any regulatory agency so that the benefits of this Agreement may be achieved.

26.2    Upon execution of this Agreement, it shall be filed with the appropriate state regulatory agency pursuant to the requirements of § 252 of the Act. If the state regulatory agency imposes any

filing(s) or public interest notice(s) regarding the filing or approval of the Agreement, Access Point shall assume sole responsibility in making such filings or notices. All costs associated with the aforementioned filing(s) or notice(s) shall be borne by Access Point.

**27.0 Trademarks and Trade Names**

- 27.1 Each Party warrants that, to the best of its knowledge, the services provided under this Agreement do not or will not violate or infringe upon any patent, copyright, trademark, or trade secret rights of any other persons.
- 27.2 Except as specifically set out in this Agreement, nothing in this Agreement will grant, suggest, or imply any authority for one Party to use the name, trademarks, service marks, or trade names of the other for any purpose whatsoever, absent written consent of the other Party.

**28.0 Regulatory Authority**

- 28.1 Each Party will be responsible for obtaining and keeping in effect all Federal Communications Commission, state regulatory commission, franchise authority and other regulatory approvals that may be required in connection with the performance of its obligations under this Agreement. Each Party will reasonably cooperate with the other Party in obtaining and maintaining any required approvals necessary for fulfilling its obligations under this Agreement.

**29.0 INTENTIONALLY LEFT BLANK**

**30.0 Verification Reviews**

- 30.1 Subject to each Party's reasonable security requirements and except as may be otherwise specifically provided in this Agreement, either Party may audit the other Party's relevant books, records and other documents pertaining to services provided under this Agreement once in each Contract Year solely for the purpose of evaluating the accuracy of the other Party's billing and invoicing. The Parties may employ other persons or firms for this purpose. Such audit will take place at a time and place agreed on by the Parties no later than sixty (60) days after notice thereof.
- 30.2 The review will consist of an examination and verification of data involving records, systems, procedures and other information related to the services performed by either Party as related to settlement charges or payments made in connection with this Agreement as determined by either Party to be reasonably required. Each Party shall maintain reasonable records for a minimum of twenty-four (24) months and provide the other Party with reasonable access to such information as is necessary to determine amounts receivable or payable under this Agreement.
- 30.3 Adjustments, credits, or payments shall be made and any corrective action shall commence within thirty (30) days from the Requesting Party's receipt of the final audit report to compensate for any errors or omissions which are disclosed by such audit and are agreed to by the Parties. Audit findings may be applied retroactively for no more than six (6) months from the date the audit began. One and one-half percent (1½%) of the highest interest rate allowable by law for commercial transactions shall be assessed and shall be computed by compounding monthly from the time of the overcharge, not to exceed six (6) months from the date the audit began, to the day of payment or credit. Any disputes concerning audit results will be resolved pursuant to the Dispute Resolution procedures described in Section 6.0 of Attachment 2, (Resale) of this Agreement.

- 30.4 Each Party will cooperate fully in any such audit, providing reasonable access to any and all appropriate employees and books, records and other documents reasonably necessary to assess the accuracy of the Party's bills.
- 30.5 Verification reviews will be limited in frequency to once per twelve (12) month period, with provision for staged reviews, as mutually agreed, so that all subject matters are not required to be reviewed at the same time. Verification reviews will be scheduled subject to the reasonable requirements and limitations of the audited Party and will be conducted in a manner that will not interfere with the audited Party's business operations.
- 30.6 The Party requesting a verification review shall fully bear its costs associated with conducting a review. The Party being reviewed will provide access to required information, as outlined in this Section, at no charge to the reviewing Party. Should the reviewing Party request information or assistance beyond that reasonably required to conduct such a review, the Party being reviewed may, at its option, decline to comply with such request or may bill actual costs incurred in complying subsequent to the concurrence of the reviewing Party.
- 30.7 For purposes of conducting an audit pursuant to this Agreement, the Parties may employ other persons or firms for this purpose (so long as said Parties are bound by this Agreement). The Parties will bear their own reasonable expenses associated with this inspection. Subsequent audits will be scheduled when and if cause is shown.
- 30.8 Information obtained or received by a Party in conducting the inspections described in § 30.0 shall be subject to the confidentiality provisions of § 6.0 of this Agreement.

### **31.0 Complete Terms**

- 31.1 This Agreement sets forth the entire understanding and supersedes all prior agreements between the Parties relating to the subject matter contained herein and merges all prior discussions between them, and neither Party shall be bound by any definition, condition, provision, representation, warranty, covenant or promise other than as expressly stated in this Agreement or as is contemporaneously or subsequently set forth in writing and executed by a duly authorized officer or representative of the Party to be bound thereby.

### **32.0 Cooperation on Preventing End User Fraud**

- 32.1 The Parties agree to cooperate with one another to investigate, minimize, and take corrective action in cases of fraud. The Parties' fraud minimization procedures are to be cost-effective and implemented so as not to unduly burden or harm one Party as compared to the other.
- 32.2 In cases of suspected fraudulent activity by an End User, at a minimum, the cooperation referenced in the above paragraph will include providing to the other Party, upon request, information concerning End Users who terminate services to that Party without paying all outstanding charges. The Party seeking such information is responsible for securing the End User's permission to obtain such information.

### **33.0 Notice of Network Changes**

- 33.1 The Parties agree to comply with §§ 51.325 through 51.335 of Title 47 of the Code of Federal Regulations as may be amended from time to time regarding notifications, network changes, upgrades, and/or modifications.
- 33.2 Nothing in this Agreement is intended to limit either Party's ability to upgrade or modify its network, including without limitation, the incorporation of new equipment, new software or

otherwise so long as such upgrades are not inconsistent with the Parties' obligations under the terms of this Agreement.

**34.0 Modification of Agreement**

- 34.1 If Access Point changes its name or makes changes to its company structure or identity due to a merger, acquisition, transfer or any other reason, it is the responsibility of Access Point to notify Windstream of said change and request that an amendment to this Agreement, if necessary, be executed to reflect said change.

**35.0 Responsibility of Each Party**

- 35.1 Each Party is an independent contractor, and has and hereby retains the right to exercise full control of and supervision over its own performance of its obligations under this Agreement and retains full control over the employment, direction, compensation and discharge of its employees assisting in the performance of such obligations. Each Party will be solely responsible for all matters relating to payment of such employees, including compliance with social security taxes, withholding taxes and all other regulations governing such matters. Each party will be solely responsible for proper handling, storage, transport and disposal at its own expense of all (i) substances or materials that it or its contractors or agents bring to, create or assume control over at work locations or, (ii) waste resulting therefrom or otherwise generated in connection with its or its contractors' or agents' activities at the work locations. Subject to the limitations on liability and except as otherwise provided in this Agreement, each Party will be responsible for (i) its own acts and performance of all obligations imposed by applicable law in connection with its activities, legal status and property, real or personal and, (ii) the acts of its own affiliates, employees, agents and contractors during the performance of the Party's obligations hereunder.

**36.0 INTENTIONALLY LEFT BLANK**

**37.0 Governmental Compliance**

- 37.1 The Parties agree that each will comply at its own expense with all applicable laws that relate to its obligations under or activities in connection with this Agreement.
- 37.2 The Parties agree to indemnify, defend, (at the other Party's request) and save harmless the other Party, each of its officers, directors and employees from and against any losses, damages, claims, demands, suits, liabilities, fines, penalties, and expenses (including reasonable attorneys' fees) that arise out of or result from i) its failure or the failure of its contractors or agents to so comply or ii) any activity, duty or status of it or its contractors or agents that triggers any legal obligation to investigate or remediate environmental contamination.

**38.0 Responsibility for Environmental Contamination**

- 38.1 Access Point will in no event be liable to Windstream for any costs whatsoever resulting from the presence or release of any environmental hazard that Access Point did not introduce to the affected work location. Windstream will indemnify, defend (at Access Point's request) and hold harmless Access Point, each of its officers, directors and employees from and against any losses, damages, claims, demands, suits, liabilities, fines, penalties and expenses (including reasonable attorneys' fees) that arise out of or result from (i) any environmental hazard that Windstream, its contractors or agents introduce to the work locations or (ii) the presence or release of any environmental hazard for which Windstream is responsible under applicable law.

- 38.2 Windstream will in no event be liable to Access Point for any costs whatsoever resulting from the presence or release of any environmental hazard that Windstream did not introduce to the affected work location. Access Point will indemnify, defend (at Windstream's request) and hold harmless Windstream, each of its officers, directors and employees from and against any losses, damages, claims, demands, suits, liabilities, fines, penalties and expenses (including reasonable attorneys' fees) that arise out of or result from i) any environmental hazard that Access Point, its contractors or agents introduce to the work locations or ii) the presence or release of any environmental hazard for which Access Point is responsible under applicable law.

#### **39.0 Subcontracting**

- 39.1 If a party through a subcontractor performs any obligation under this Agreement, such party will remain fully responsible for the performance of this Agreement in accordance with its terms, including any obligations either party performs through subcontractors, and each party will be solely responsible for payments due the party's subcontractors. No contract, subcontract or other Agreement entered into by either Party with any third party in connection with the provision of services hereunder will provide for any indemnity, guarantee or assumption of liability by, or other obligation of, the other Party to this Agreement with respect to such arrangement, except as consented to in writing by the other Party. No subcontractor will be deemed a third party beneficiary for any purposes under this Agreement. Any subcontractor who gains access to Confidential Information covered by this Agreement will be required by the subcontracting Party to protect such Confidential Information to the same extent the subcontracting Party is required to protect the same under the terms of this Agreement.

#### **40.0 Referenced Documents**

- 40.1 Whenever any provision of this Agreement refers to a technical reference, technical publication, any publication of telecommunications industry administrative or technical standards, Windstream handbooks or manuals, or any other document specifically incorporated into this Agreement, it will be deemed to be a reference to the most recent version or edition (including any amendments, supplements, addenda, or successors) of each document that is in effect, and will include the most recent version or edition (including any amendments, supplements, addenda, or successors) of each document incorporated by reference in such a technical reference, technical publication, or publication of industry standards. However, if such reference material is substantially altered in a more recent version to significantly change the obligations of Access Point as of the effective date of this Agreement and the Parties are not in agreement concerning such modifications, the Parties agree to negotiate in good faith to determine how such changes will impact performance of the Parties under this Agreement, if at all. Until such time as the Parties agree, the provisions of the last accepted and unchallenged version will remain in force.

#### **41.0 Severability**

- 41.1 If any term, condition or provision of this Agreement is held to be invalid or unenforceable for any reason, such invalidity or unenforceability will not invalidate the entire Agreement, unless such construction would be unreasonable. The Agreement will be construed as if it did not contain the invalid or unenforceable provision or provisions, and the rights and obligations of each party will be construed and enforced accordingly; provided, however, that in the event such invalid or unenforceable provision or provisions are essential elements of this Agreement and substantially impair the rights or obligations of either Party, the Parties will promptly negotiate a replacement provision or provisions. If impasse is reached, the Parties will resolve said impasse under the dispute resolution procedures set forth in § 6.5.1.

**42.0 Survival of Obligations**

- 42.1 Any liabilities or obligations of a Party for acts or omissions prior to the cancellation or termination of this Agreement, any obligation of a Party under the provisions regarding indemnification, Confidential Information, limitations on liability, and any other provisions of this Agreement which, by their terms, are contemplated to survive (or to be performed after) termination of this Agreement, will survive cancellation or termination thereof.

**43.0 Governing Law**

- 43.1 This Agreement shall be governed by and construed in accordance with the Act and the FCC's Rules and Regulations, except insofar as state law may control any aspect of this Agreement, in which case the domestic laws of the state where the interconnection service is provided, without regard to its conflicts of laws principles, shall govern.

**44.0 Other Obligations of Access Point**

- 44.1 To establish service and provide efficient and consolidated billing to Access Point, Access Point is required to provide a CLEC Profile, which includes its authorized and nationally recognized Operating Company Number ("OCN"), to establish Access Point's billing account. Access Point will be provided with a billing account number ("BAN") for each CLEC Profile submitted.
- 44.2 Access Point shall use Windstream's electronic operations support system access platform (Windstream Express) to submit orders and requests for maintenance and repair of services, and to engage in other pre-ordering, ordering, provisioning, maintenance and repair transactions and billing disputes for resale services. If Windstream Express is not available, Access Point shall use such other processes as Windstream has made available for performing such transaction (including, but not limited, to submission of orders by telephonic facsimile transmission and placing trouble reports by voice telephone transmission). If Access Point chooses to submit orders, requests for maintenance and repair of services and resale billing disputes manually, when Windstream's electronic operations support system access platform (Windstream Express) is available, Access Point will pay a manual order charge as reflected in the applicable Windstream tariff.
- 44.3 Access Point represents and covenants that it will only use Windstream Express pursuant to this Agreement for services related resold services, for which this Agreement contains explicit terms, conditions and rates.

**45.0 Customer Inquiries**

- 45.1 Each Party will refer all questions regarding the other Party's services or products directly to the other Party at a telephone number specified by that Party.
- 45.2 Each Party will ensure that all of their representatives who receive inquiries regarding the other Party's services or products: (i) provide the numbers described in § 45.1; and (ii) do not in any way disparage or discriminate against the other Party or its services or products.

**46.0 Disclaimer of Warranties**

- 46.1 **EXCEPT AS OTHERWISE SPECIFICALLY PROVIDED HEREIN, NEITHER PARTY MAKES ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY AS TO MERCHANTABILITY**

OR FITNESS FOR INTENDED OR PARTICULAR PURPOSE WITH RESPECT TO SERVICES PROVIDED HEREUNDER. ADDITIONALLY, NEITHER PARTY ASSUMES ANY RESPONSIBILITY WITH REGARD TO THE CORRECTNESS OF DATA OR INFORMATION SUPPLIED BY THE OTHER PARTY WHEN THIS DATA OR INFORMATION IS ACCESSED AND USED BY A THIRD PARTY.

52.0 Definitions and Acronyms

52.1 Definitions

For purposes of this Agreement, certain terms have been defined in Attachment 20: Definitions and elsewhere in this Agreement to encompass meanings that may differ from, or be in addition to, the normal connotation of the defined word. Unless the context clearly indicates otherwise, any term defined or used in the singular will include the plural. The words "will" and "shall" are used interchangeably throughout this Agreement and the use of either connotes a mandatory requirement. The use of one or the other will not mean a different degree of right or obligation for either Party. A defined word intended to convey its special meaning is capitalized when used.

52.2 Acronyms

Other terms that are capitalized and not defined in this Agreement will have the meaning in the Act. For convenience of reference only, Attachment 21: Acronyms provides a list of acronyms used throughout this Agreement.

53.0 INTENTIONALLY LEFT BLANK

54.0 INTENTIONALLY LEFT BLANK

55.0 INTENTIONALLY LEFT BLANK

56.0 Certification Requirements

56.1 Access Point warrants that it has obtained and will maintain all necessary jurisdictional certification(s) required in those jurisdictions in which Access Point has ordered services pursuant to this Agreement. Upon request Access Point shall provide proof of certification to Windstream.

**57.0 Other Requirements and Attachments**

57.1 This Agreement incorporates a number of listed Attachments, which, together with their associated Appendices, Exhibits, and Addenda, constitute the entire Agreement between the Parties.

57.1.1 Each Party agrees that if at anytime a discrepancy arises between the General Terms and Conditions and one of the Attachments, the Attachments will control.

57.2 Appended to this Agreement and incorporated herein are the Attachments listed below. To the extent that any definitions, terms or conditions in any given Attachment differ from those contained in the main body of this Agreement, those definitions, terms or conditions will supersede those contained in the main body of this Agreement, but only in regard to the services or activities listed in that particular Attachment. In particular, if an Attachment contains a term length that differs from the term length in the main body of this Agreement, the term length of that Attachment will control the length of time that services or activities are to occur under the Attachment, but will not affect the term length of other attachments.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed as of this 16<sup>th</sup> day of July 2009.

**ATTACHMENT 1: INTENTIONALLY LEFT BLANK**

## **ATTACHMENT 2 RESALE**

All services made available to Access Point by Windstream for resale by Access Point pursuant to the Agreement (Resale Services) will be subject to the terms and conditions set forth in the Agreement and in this Attachment 2: Resale.

### **1.0 General Provisions**

- 1.1 Resale Services will be made available to Access Point by Windstream.
- 1.2 The applicable rules, regulations and rates in the Windstream Local Exchange Tariff shall be applicable to Resale Services and to the extent of conflict herewith this Agreement shall control.
- 1.3 Access Point will be the Customer of record for all services purchased from Windstream, pursuant to this Agreement. Except as specified herein, Windstream will take service orders from, bill and collect payment from Access Point for all services purchased pursuant to this Agreement.
- 1.4 Access Point will be Windstream's single point of contact for all services purchased pursuant to this Agreement.
- 1.5 Access Point may resell Windstream services only within the Windstream local service area as specified in the appropriate Windstream tariff.
- 1.6 Except where otherwise explicitly provided in the Windstream Local Exchange Tariff, Access Point shall not permit the sharing of a service by multiple End Users or the aggregation of traffic from multiple End Users onto a single service.
- 1.7 Access Point shall resell telecommunications services only to the same class of Customers to which Windstream sells the services; e.g. residential service may not be resold to business Customers.
- 1.8 Access Point shall not use a resold service to avoid the rates, terms and conditions of Windstream's Local Exchange Tariff, as applicable.
- 1.9 Access Point shall not use resold local exchange telephone service to provide access services to Interexchange Carriers (IXCs), wireless carriers, competitive access providers (CAPs), or other telecommunication service providers.
- 1.10 Subject to the availability of facilities, Windstream shall provide Resale Services to Access Point pursuant to this Agreement.
- 1.11 Access Point has no right to the telephone number or any other call number designation associated with services furnished by Windstream, and no right to the continuance of service through any particular central office or number. Windstream reserves the right to change numbers or the central office designation associated with such numbers, or both, whenever Windstream deems it necessary to do so in the conduct of its business.
- 1.12 Service is furnished to Access Point on the condition that it will not be used for any unlawful purpose.
- 1.13 Service will be discontinued if any law enforcement agency advises that the service is being used in violation of the law.
- 1.14 Windstream can refuse service when it has grounds to believe that service will be used in violation of the law.

- 
- 1.15 Windstream accepts no responsibility for any unlawful act committed by Access Point or its End Users as part of providing service to Access Point for purposes of resale or otherwise.
- 1.16 Windstream is authorized, but not required to cooperate with law enforcement agencies with respect to their investigation of any alleged unlawful activity of Access Point or its End Users. Law enforcement agency subpoenas and court orders regarding the End Users of Access Point will be directed to Access Point. Windstream shall be entitled to bill Access Point for any cost associated with complying with any requests by law enforcement agencies regarding Access Point or Access Point's End Users.
- 1.17 White Page Directory Services shall be provided as set forth in Section 10 of Attachment 2 Directories: White Pages.
- 1.18 Interexchange carried traffic (e.g. sent-paid, information services and alternate operator services messages) received by Windstream with respect to Access Point end-user accounts will be returned to the IXC as unbillable, and will not be passed on to Access Point for billing. An unbillable code returned with those messages to the carrier will indicate that the messages originated from a resold account and will not be billed by Windstream.
- 1.19 All necessary information with respect to an end-user, including telephone number, requested service dates, and products and services desired will be provided to Windstream by Access Point in accordance with the practices and procedures established by Windstream.
- 1.20 Except as otherwise provided in this Agreement, if Windstream notifies Access Point in writing of a violation of a provision of this Agreement, Access Point shall have thirty (30) days from notice to correct the violation and notify Windstream in writing that the violation has been corrected.
- 1.21 Windstream shall continue to have the right to serve and market directly to any End User within Windstream's service area, including but not limited to Access Point's End Users. Windstream shall have the right to continue to directly market its own telecommunications products and services, and in doing so may establish independent relationships with Access Point's End Users.
- 1.22 Access Point shall not interfere with the right of any person or entity to obtain service directly from Windstream.
- 1.23 The circuits, facilities or equipment provided by any person or entity other than Windstream and use, operation, maintenance or installation thereof shall not:
- 1.23.1 interfere with or impair service over any facilities of Windstream, its affiliates, or its connecting and concurring carriers involved in its service;
  - 1.23.2 cause damage to plant;
  - 1.23.3 impair the privacy of any communications; or
  - 1.23.4 create hazards to any employees or the public.
- 1.24 Access Point assumes the responsibility of notifying Windstream regarding any less than standard operations with respect to services provided by Access Point.
- 1.25 Facilities and/or equipment utilized by Windstream to provide service to Access Point shall remain the property of Windstream.
- 1.26 Windstream will provide Customer record information to Access Point, only after Access Point has provided Windstream the appropriate Letter(s) of Authorization (LOA) from the relevant Customer. Windstream may provide Customer record information to Access Point via Windstream Express.

- 1.27 All costs incurred by Windstream for providing services to Access Point that are not covered in the Windstream tariffs shall be recovered from Access Point for utilizing such services.
- 1.28 The Parties agree that this Agreement shall not be proffered by either Party in another jurisdiction or proceeding as evidence of any concession or as a waiver of any position taken by the other Party in that jurisdiction or for any other purpose.
- 1.29 The rates applicable to Access Point for purchase of services from Windstream for resale shall be the retail rate for the telecommunications services as provided in Windstream's applicable Local Exchange Tariff, less a fifteen point nine five percent (15.95%) discount.

## **2.0 General Obligations**

- 2.1 Windstream shall attempt to implement Access Point service orders within the same time intervals that Windstream uses to implement service orders for similar services for its own End Users.
- 2.2 The appropriate Windstream trouble reporting centers shall accept Access Point trouble reports with respect to Access Point End Users services 24 hours a day, 7 days a week. Access Point will be assigned a Customer contact center when initial service agreements are made. Access Point End Users calling Windstream will be referred to Access Point at the number provided by Access Point.
- 2.3 If Windstream determines that an unauthorized change in local service by a local service provider has occurred, Windstream will reestablish service with the appropriate local service provider, and will assess against the local service provider an unauthorized change charge similar to that described in the Windstream F.C.C. Tariff No. 1. Appropriate nonrecurring charges, as set forth in the Local Exchange Tariff as applicable, will also be assessed to the local service provider.
- 2.4 To the extent allowable by law, Access Point shall be responsible for Primary Interexchange Carrier (PIC) change charges associated with such local exchange line. These charges will be assessed regardless if the Access Point or the End User made the change. Access Point shall pay for PIC changes at the tariffed rate.
- 2.5 Access Point shall resell the services provided herein only in those service areas in which such Resale Services or any feature or capability thereof are offered at retail by Windstream as the incumbent local exchange carrier to its End Users.
- 2.6 Access Point is solely responsible for the payment of charges for all service furnished under this Agreement, including, but not limited to, calls originated or accepted at Access Point location and its End Users' service locations, with the exception of any retail services provided directly by Windstream to the End User which Windstream is responsible for billing.
- 2.7 Windstream shall not be responsible for the manner in which the use of Resale Services or the associated charges are billed to others by Access Point. All applicable rates and charges for such services will be billed to and shall be the responsibility of Access Point, with the exception of other retail services provided directly to the End User by Windstream as described in paragraph 2.6 above.
- 2.8 If Access Point does not wish to be responsible for toll, collect, third number billed, 900 and 976 calls, Access Point must order blocking services as outlined in the Windstream Local Exchange Tariff and pay any applicable charges.
- 2.9 Access Point shall be responsible for providing to its End Users, and to Windstream a telephone number or numbers that Access Point End Users can use to contact Access Point in the event of service or repair requests. In the event that Access Point End Users contact Windstream with regard to such requests, Windstream shall provide the End User Access Point's contact number and inform the End User to contact Access Point.

### **3.0 Establishment of Service**

- 3.1 Upon receiving the applicable certification from the appropriate state regulatory agency, Access Point will provide Windstream with the necessary documentation to enable Windstream to establish a master account for Access Point. Such documentation shall include, but is not limited to, the Application for Master Account, proof of authority to provide telecommunications services, an Operating Company Number ("OCN") assigned by the National Exchange Carriers Association ("NECA"), and a tax exemption certificate, if applicable. When necessary deposit requirements are met, Windstream will begin taking orders from Access Point for Resale Services.
- 3.2 Access Point will be charged a Master Account Establishment charge of \$380.00. The Master Account Establishment charge is a one-time charge that will be applied for the establishment of each Billing Account Number ("BAN").
- 3.3 Service orders will be submitted in the format designated in Windstream handbooks and manuals.
- 3.4 When Windstream receives notification from Access Point that a current Windstream Customer will be subscribing to Access Point's services, standard service order intervals for the appropriate class of service will apply.
- 3.5 Except as required by applicable laws or rules, Windstream will not require End User confirmation prior to establishing service for Access Point's Customers. Access Point must, however, be able to demonstrate End User authorization upon request.
- 3.6 Access Point will be the single point of contact with Windstream for all subsequent ordering activity resulting in additions or changes to Resale Services, except that Windstream will accept a request directly from the End User for conversion of the End User's service from Access Point to Windstream, or will accept a request from another local service provider for conversion of the End User's service from Access Point to the other local service provider.
- 3.7 Windstream will provide Access Point at their request per Customer, blocking of calls (e.g., toll, 900, international calls, and third party or collect calls) by line or trunk on an individual switching element basis, to the extent that Windstream provides such blocking capabilities to its Customers and to the extent required by law.
- 3.8 When ordering Resale Services via a service order, Access Point may where available, order from Windstream separate InterLATA and IntraLATA service providers (i.e., two PICs) on a line or trunk basis where IntraLATA presubscription has been introduced. Windstream will accept PIC change orders for IntraLATA and long distance services through the Windstream service provisioning process.
- 3.9 Windstream will provide order format specifications to Access Point with respect to all services, features, and functions available and with respect to ancillary data required by Windstream to provision these services through Windstream manuals and handbooks.

### **4.0 Maintenance of Services**

- 4.1 Windstream's facilities and equipment provided by Windstream shall be maintained by Windstream.
- 4.2 Windstream will attempt to provide maintenance for all Resale Services ordered under this Agreement at levels equal to the maintenance provided by Windstream in serving its Customers. Windstream technicians will attempt to provide repair service on Resale Services that is at least equal in quality to that provided to Windstream Customers; trouble calls from Access Point will receive response time and priorities that are at least equal to that of Windstream Customers.

- 
- 4.3 Access Point or its End Users may not rearrange, move, disconnect, remove or attempt to repair any facilities owned by Windstream, other than by connection or disconnection to any interface means used, without the written consent of Windstream.
  - 4.4 Access Point shall promptly notify Windstream of any situations that arise that may result in a service problem.
  - 4.5 Access Point will be Windstream's single point of contact for all repair calls on behalf of Access Point's End Users with respect to Resale Services. All misdirected repair calls to Windstream from Access Point Customers will be given a recording (or live statement) directing them to call the number designated by Access Point. Access Point on a reciprocal basis will refer all misdirected repair calls that Access Point receives for Windstream Customers to Windstream
  - 4.6 Access Point will contact the appropriate Windstream repair center in accordance with procedures established by Windstream. Access Point will refer repair calls to Windstream via Windstream Express.
  - 4.7 For all repair requests, Access Point shall adhere to Windstream's prescreening guidelines prior to referring the trouble to Windstream.
  - 4.8 For purposes of this Section, Resale Services is considered restored or a trouble resolved when the quality of Resale Services is equal to that provided before the outage or the trouble occurred.
  - 4.9 Windstream will bill Access Point for handling troubles that are found not to be in Windstream's network pursuant to its standard time and material charges. The standard time and material charges will be no more than what Windstream charges to its retail Customers for the same services.
  - 4.10 Windstream will provide Access Point with written escalation procedures for maintenance resolution to be followed if, in Access Point's judgment, any individual trouble ticket or tickets are not resolved in a timely manner. The escalation procedures to be provided thereunder shall include names and telephone numbers of Windstream management personnel who are responsible for maintenance issues.
  - 4.11 Windstream Maintenance of Service Charges, when applicable, will be billed by Windstream to Access Point, and not to Access Point's end-user Customers.
  - 4.12 Dispatching of Windstream technicians to Access Point Customer premises shall be accomplished by Windstream pursuant to a request received from Access Point.
  - 4.13 When a Windstream employee visits the premises of a Access Point local Customer, the Windstream employee will inform the Customer or occupant, directly or indirectly, that he or she is there acting on behalf of "their local service provider". Materials left at the Customer premises (e.g., a door hanger notifying the Customer of the service visit) must also inform the Customer that Windstream was on their premises acting on behalf of "their local service provider".
  - 4.14 If trouble cannot be cleared without access to Access Point local Customer's premises and the Customer is not at home, the Windstream technician will leave at the Customer's premises a non-branded "no access" card requesting the Customer to call "their local service provider" for rescheduling of repair.
  - 4.15 Windstream reserves the right, but is not required, to contact Access Point's Customers for any lawful purpose.
  - 4.16 Windstream will perform testing (including trouble shooting to isolate any problems) of Resale Services purchased by Access Point in order to identify any new circuit failure performance problems.

## **5.0      Discontinuance of Service**

### **5.1      End User Disconnect Procedures**

- 5.1.1      At the request of Access Point, Windstream will disconnect a Access Point Customer.
- 5.1.2      All requests by Access Point for denial or disconnection of an End User for nonpayment must be provided to Windstream in writing in the manner and format prescribed by Windstream.
- 5.1.3      Access Point will be solely responsible for notifying the End User of the proposed disconnection of service.
- 5.1.4      Upon restoration of the End User's service, charges will apply and will be the responsibility of Access Point.
- 5.1.5      Windstream will continue to process calls made to Windstream for annoyance calls and will advise Access Point when it is determined that annoyance calls are originated from one of their End User's locations. Windstream shall be indemnified, defended and held harmless by Access Point against any claim, loss or damage arising from providing this information to Access Point. It is the responsibility of Access Point to take the corrective action necessary with its Customers who make annoying calls. Failure to do so will result in Windstream's disconnecting the End User's service.

## **6.0      Dispute Resolution**

### **6.1      Notice of Disputes**

Notice of a valid contractual dispute must be made through the Windstream Express System's billing dispute form, specifically documenting the nature of the dispute, and must include a detailed description of the underlying dispute (the "Billing Dispute "). Billing Disputes must be submitted via Windstream Express, on the billing dispute form or the dispute will not be accepted as a valid Billing Dispute and therefore denied by the billing Party. The billing dispute form must be completed with all fields populated by the disputing Party or the form will be denied by the billing Party.

#### **6.1.1      Billing Disputes**

The billing dispute form must be complete, with all fields populated with the required information for the billable element in dispute. If the billing dispute form is not complete with all information, the dispute will be denied by the billing Party. After receipt of a completed billing dispute form, the billing Party will review to determine the accuracy of the Billing Dispute. If the billing Party determines the dispute is valid, the billing Party will credit the disputing Party's bill within thirty (30) calendar days of receipt of the Billing Dispute. If the billing Party determines the Billing Dispute is not valid, the disputing Party may escalate the dispute as outlined in Section 6.1.1.1.

6.1.1.1      Resolution of the dispute is expected to occur at the first level of management, resulting in a recommendation for settlement of the dispute and closure of a specific billing period. If the issues are not resolved within the allotted time frame, the following resolution procedure will be implemented:

6.1.1.1.1      If the dispute is not resolved within thirty (30) calendar days of receipt of the billing dispute form, the dispute will be escalated to the second level of management for each of the respective Parties for resolution. If the dispute is not resolved within sixty (60) calendar days of the

notification date, the dispute will be escalated to the third level of management for each of the respective Parties for resolution.

6.1.1.1.2 If the dispute is not resolved within ninety (90) calendar days of the receipt of the billing dispute form, the dispute will be escalated to the fourth level of management for each of the respective Parties for resolution.

6.1.1.1.3 Each Party will provide to the other Party an escalation list for resolving Billing Disputes. The escalation list will contain the name, title, phone number, fax number and email address for each escalation point identified in this section 6.1.1.1.

6.1.1.1.4 If the dispute is not resolved within one hundred twenty (120) days of receipt of the billing dispute form or either Party is not operating in good faith to resolve the dispute, the Formal Dispute Resolution process, outlined in section 6.4, may be invoked.

6.1.1.2 If the disputing Party disputes charges and the dispute is resolved in favor of the disputing Party, the billing Party shall credit the bill of the disputing Party for the amount of the disputed charges by the next billing cycle after the resolution of the dispute.

6.1.1.3 Claims by the disputing Party for damages of any kind will not be considered a Bona Fide Dispute for purposes of this subsection 6.1.1. A Party's failure to pay all amounts by the due date listed on the bill, is a material breach of this Agreement.

6.1.1.4 Any credits due to the disputing Party resulting from the Billing Dispute process will be applied to the disputing Party's account by the billing Party immediately upon resolution of the dispute.

6.1.1.5 Neither Party shall bill the other Party for charges incurred more than twelve (12) months after the service is provided to the non-billing Party.

#### 6.1.2 All Other Disputes

All other disputes (*i.e.*, contractual disputes) shall be valid only if reasonable within the scope of this Agreement, and the applicable statute of limitations shall govern such disputes.

### 6.2 Alternative to Litigation

6.2.1 The Parties desire to resolve disputes arising out of this Agreement without litigation. Accordingly, except for action seeking a temporary restraining order, an injunction, or similar relief from the PUC related to the purposes of this Agreement, or suit to compel compliance with this Dispute Resolution process, the Parties agree to use the following Dispute Resolution procedure with respect to any controversy or claim arising out of or relating to this Agreement or its breach.

### 6.3 Informal Resolution of Disputes

In the case of any dispute and upon receipt of the billing dispute form each Party will appoint a duly authorized representative knowledgeable in telecommunications matters, to meet and negotiate in good faith to resolve any dispute arising under this Agreement. The location, form, frequency, duration, and conclusion of these discussions will be left to the discretion of the representatives. Upon Agreement, the representatives may, but are not obligated to, utilize other alternative dispute resolution procedures to assist in the negotiations. Discussions and the correspondence among the representatives for purposes of settlement are exempt from discovery and production and will not be admissible in any lawsuit without the concurrence of both Parties. Documents identified in or provided with such communications, which are not prepared for purposes of the negotiations, are not so exempted and, if otherwise admissible, may be admitted in

evidence in the lawsuit. Unless otherwise provided herein, or upon the Parties' Agreement, either Party may invoke formal dispute resolution procedures or other procedures as appropriate, not earlier than thirty (30) days after the date of the billing dispute form, provided the Party invoking the formal dispute resolution process has in good faith negotiated, or attempted to negotiate, with the other Party.

6.4 **Formal Dispute Resolution**

6.4.1 The Parties agree that all unresolved disputes arising under this Agreement may be submitted to PUC for resolution in accordance with its dispute resolution process and the outcome of such process will be binding on the Parties, subject to any right to appeal a decision reached by the PUC under applicable law.

6.4.2 If the PUC does not have or declines to accept jurisdiction over any dispute arising under this Agreement, either Party may proceed with any remedy available to it pursuant to law, equity or agency mechanisms

6.4.3 Each Party shall bear its own costs of these procedures unless the Commonwealth of Kentucky PUC or other presiding authority, if any, rules otherwise. A Party seeking discovery shall reimburse the responding Party for the costs of production of documents (including search time and reproduction costs).

6.5 **Conflicts**

6.5.1 The Parties agree that the Dispute Resolution procedures set forth in this Agreement are not intended to conflict with applicable requirements of the Act or the state commission with regard to procedures for the resolution of disputes arising out of this Agreement and do not preclude a Party from seeking relief under applicable rules or procedures of the PUC.

7.0 **Termination of Service to Access Point**

7.1 Windstream reserves the right to suspend or terminate service for nonpayment or in the event of prohibited, unlawful or improper use of facilities or service, abuse of facilities, or any other violation or noncompliance by Access Point of the rules and regulations of the Windstream Local Exchange Tariff.

7.2 Disputes hereunder shall be resolved in accordance with the procedures identified in § 6.0 Dispute Resolution. Failure of Access Point to pay charges owed to Windstream shall be grounds for termination under this Agreement

7.3 Failure of Access Point to pay all charges, including disputed amounts, shall be grounds for suspension or termination of this Agreement. If Access Point fails to pay when due, all charges billed to Access Point under this Agreement, and any portion of such charges remain unpaid more than fifteen (15) days after the due date of such charges, Windstream will notify Access Point in writing that in order to avoid having service disconnected and or suspension of order acceptance, Access Point must remit all charges to Windstream within fifteen (15) days after receipt of said notice (the "Embargo Notice").

7.4 If any Access Point charges remain unpaid at the conclusion of the time period as set forth in § 7.3 above (15 days from the due date of such unpaid charges), Windstream will notify Access Point, (the "Disconnect Notice") and the appropriate commission(s) in writing, pursuant to state public service commission's rules and regulations, that Access Point's service will be disconnected and Access Point's End Users may be switched to Windstream local service and Windstream will suspend order acceptance. Applicable service establishment charges for switching End Users from Access Point to Windstream will be assessed to Access Point. In the case of such discontinuance, all billed charges, as well as applicable termination charges shall

become due. If Windstream does not discontinue the provision of the services involved on the date specified in the fifteen (15) day Embargo Notice, and Access Point's noncompliance continues, nothing contained herein shall preclude Windstream's right to discontinue the provisions of the services to Access Point without further notice.

- 7.5 Within five (5) calendar days of the transfer to Windstream's service, (30 days past Access Point's due date), Windstream will notify all affected End Users that because of a Access Point's failure to pay all charges, their service is now being provided by Windstream.
- 7.6 After disconnect procedures have begun, Windstream will not accept service orders from Access Point until all charges are paid in full, in immediately available funds. Windstream will have the right to require a deposit equal to three (3) months charges (based on the highest previous month of service from Windstream) prior to resuming service to Access Point after disconnect for nonpayment.
- 7.7 Beyond the specifically set out limitations in this Section, nothing herein will be interpreted to obligate Windstream to continue to provide service to any such End Users or to limit any and all disconnection rights Windstream may have with regard to such End Users.

## **8.0 Billing and Payments**

- 8.1 Pursuant to this Agreement, Windstream shall bill Access Point those charges, which Access Point incurs as a result of Access Point purchasing Resale Services from Windstream.
- 8.2 Windstream shall provide Access Point a monthly bill including all charges incurred by and credits and/or adjustments due to Access Point for the Resale Services ordered, established, utilized, discontinued or performed pursuant to this Agreement. Each bill provided by Windstream to Access Point will include:
  - 8.2.1 all non-usage sensitive charges incurred for the period beginning with the day after the current bill date and extending to, and including, the next bill date;
  - 8.2.2 any known unbilled non-usage sensitive charges for prior periods;
  - 8.2.3 unbilled usage sensitive charges for the period beginning with the last bill date and extending up to, but not including, the current bill date; and
  - 8.2.4 any known unbilled usage sensitive charges for prior periods. Windstream will also bill all charges, including but not limited to 911 and E911 charges, telecommunications relay charges, and franchise fees, to Access Point.
- 8.3 Any switched access charges associated with interexchange carrier access to the resold local exchange lines will be billed by, and due Windstream from the Interexchange Carrier.
- 8.4 All End User common line (EUCL) charges, subscriber line charges (SLC), or other similar charges will continue to apply for each local exchange line resold under this Agreement. All applicable federal and state rules, tariffs and regulations associated with such charges shall be applicable, as may be amended from time to time.
- 8.5 Each Party will provide the other Party at no charge a contact person for the handling of any Resale Billing questions or problems.
- 8.6 Windstream will render bills each month on established bill days for each of Access Point's accounts.
- 8.7 If Access Point requests an additional copy(ies) of a bill, Access Point will pay Windstream a reasonable fee per additional bill copy, unless such copy(ies) was requested due to errors,

omissions, or corrections, or the failure of the original transmission to comply with the specifications set forth in this Agreement.

- 8.8 Payment of all charges will be the responsibility of Access Point. Access Point shall make payment to Windstream for all Resale Services billed. Windstream is not responsible for payments not received by Access Point from Access Point's Customer. Windstream will not become involved in Billing Disputes that arise between Access Point and its Customer. Payments made to Windstream, as payment on account, will be credited to an accounts receivable master account and not to an End User's account.
- 8.9 Payment of all charges will be due within thirty (30) days of the invoice date and payable in immediately available funds. Payment is considered to have been made when received by Windstream.

## **9.0 Customer Usage Data**

- 9.1 Usage Data with respect to End Users will be provided by Windstream to Access Point when the End User has been transferred to Access Point, and Access Point purchases Resale Services from Windstream.
- 9.2 Windstream will provide usage data for Access Point Customers using Windstream-provided Resale Services. Usage Data includes, but is not limited to, the following categories of information:
- 9.2.1 All record types that are currently processed for Windstream Customers.
  - 9.2.2 Use of CLASS/ Custom Features;
  - 9.2.3 Station level detail for Windstream - provided CENTREX families of services; and
  - 9.2.4 Complete call detail and complete timing information for Resale Services;
- 9.3 Windstream will provide Usage Data for completed calls only for service offerings that Windstream records for itself (e.g., Local Measured Services) and recordings performed on the behalf of Windstream for operator services and directory assistance.
- 9.4 Windstream will provide Usage Data to Access Point only for Access Point Customers. Windstream will not submit other carriers' local usage data as part of the Access Point Usage Data.
- 9.5 Windstream will provide Usage Data in EMI format.
- 9.6 Windstream will include the Working Telephone Number (WTN) of the call originator on each EMI call record.
- 9.7 Customer usage records and station level detail records will be in packs in accordance with EMI guidelines.
- 9.8 Windstream will transmit formatted Usage Data to Access Point via CONNECT: Direct or as otherwise agreed to by the Parties. Access Point is responsible for the connection.
- 9.9 Access Point and Windstream will test and certify the CONNECT: Direct interface to ensure the accurate transmission of Usage Data. Access Point will pay to Windstream a per message charge for Windstream's transmission of usage data to Access Point.
- 9.10 Windstream will provide Usage Data to Access Point daily (Monday through Friday) on a time schedule to be determined by the Parties. By mutual agreement of both Parties, this schedule can be amended with thirty (30) days written notice.

- 9.11 Windstream will establish a single point of contact to respond to Access Point call usage, data error, and record transmission inquiries.
- 9.12 Windstream will bill and Access Point will pay the applicable charges for Usage Data set forth in this Agreement. Billing and payment will be in accordance with the applicable terms and conditions set forth in this Agreement.

## **10.0 Directories: White Pages**

### **10.1 Introduction**

- 10.1.1 Windstream obtains the publication of White Pages directories (White Pages) from a third party publisher for geographic areas in which Access Point may also provide local exchange telephone service, and Access Point wishes to include listings information for its Customers in the appropriate White Pages directories.
- 10.1.2 Windstream will include Access Point's Customer listings in the appropriate White Pages directory in accordance with § 10.2 Resale as specified in this Section. The Parties agree that § 10.2 Resale shall be applicable to Customers which Access Point serves through a Resale Agreement.
- 10.1.3 Any references in this Section to Windstream procedures, practices, requirements, or words of similar meaning, shall also be construed to include those of Windstream's contractors that produce directories on its behalf.
- 10.1.4 A service order processing charge (Service Order Charge) will be applied to each service order issued by Access Point for Windstream to process a directory listing request or change to an existing directory listing.

### **10.2 Service Provided - Resale**

- 10.2.1 Windstream will include in appropriate White Pages directories the primary alphabetical listings of all Access Point Customers (other than non-published or non-list Customers) located within the local directory area.
- 10.2.2 Access Point will furnish to Windstream subscriber listing information pertaining to Access Point Customers located within the Windstream local directory area, along with such additional information as Windstream may require to prepare and print the alphabetical listings of said directory.
- 10.2.3 Windstream will include the listing information for Access Point's Customers for Resale Services in the White Pages directory database in the same manner as it includes listing information for Windstream's Customers.
- 10.2.4 Windstream will provide Access Point with format requirements and procedures for submitting directory listings and directory updates.
- 10.2.5 Access Point may purchase Enhanced White Pages listings for residential Customers on a per listing basis, and will pay Windstream amounts attributable to such Enhanced Listings used by its Customers.
- 10.2.6 Access Point's subscriber listings will be inter-filed (interspersed) with Windstream's and other local service provider's subscriber listings in the White Pages directory with no discernible differentiation in the listings to indicate to the reader that the listings are served by another local service provider.

- 10.2.7 Windstream will deliver White Pages directories to Access Point Customers. The timing of such delivery and the determination of which White Pages directories will be delivered (by Customer address, NPA/NXX or other criteria), and the number of White Pages directories to be provided per Customer, will be on the same terms that Windstream delivers White Pages directories to its own End Users.
- 10.2.8 Windstream will distribute any subsequent directories in accordance with the same practices and procedures used by Windstream.
- 10.2.9 At its option, Access Point may purchase information pages (Customer Guide Pages) in the informational section of the White Pages directory covering the geographic area(s) it is serving. These pages will be in alphabetical order with other local service providers and will be no different in style, size, color and format than Windstream information pages. Sixty (60) days prior to the directory close date, Access Point will provide to Windstream the information page(s) in camera ready format. Windstream will have the right to approve or reject the format and content of such information page(s) and, with Access Point's agreement, Windstream may, but is not required to, revise the format and content of such information page(s).
- 10.2.10 Windstream will include Access Point specific information (i.e., business office, residence office, repair bureau, etc.) in the White Pages directory on an "index-type" information page, in alphabetical order along with other local service providers, at no charge. The space available to Access Point on such page will be 1/8<sup>th</sup> page in size. In order to have such information published, Access Point will provide Windstream, sixty (60) days prior to the directory close date, with its logo and information in the form of a camera ready copy, sized at 1/8<sup>th</sup> of a page. Access Point will be limited to a maximum of 1/8<sup>th</sup> of a page in any single edition of a White Pages directory.

### **10.3 Limitation Of Liability And Indemnification**

- 10.3.1 Windstream will not be liable to Access Point for any losses or damages arising out of errors, interruptions, defects, failures, delays, or malfunctions of the White Pages services, including any and all associated equipment and data processing systems, unless said losses or damages result from Windstream's gross negligence or willful or wanton or intentional misconduct. Any losses or damages for which Windstream is held liable under this Agreement to Access Point, shall in no event exceed the amount of the charges billed to Access Point for White Pages services with respect to the period beginning at the time notice of the error, interruption, defect, failure, or malfunction is received by Windstream to the time Service is restored.
- 10.3.2 Access Point agrees to defend, indemnify, and hold harmless Windstream from any and all losses, damages, or other liability that Windstream may incur as a result of claims, demands, wrongful death actions, or other claims by any Party that arise out of Access Point's Customers' use of the White Pages services, or the negligence or wrongful act of Access Point except to the extent any such losses, damages or other liability solely from Windstream's gross negligence or willful misconduct. Access Point will defend Windstream against all Customer claims just as if Access Point had provided such service to its Customer with Access Point's own employees and will assert its contractual or tariff limitation of liability, if any, for the benefit of both Windstream and Access Point.
- 10.3.3 Access Point agrees to release, defend, indemnify, and hold harmless Windstream from any claims, demands, or suits with respect to any infringement or invasion of privacy or confidentiality of any person or persons caused or claimed to be caused, directly, or indirectly, by Windstream employees or equipment associated with provision of the White Pages services, except to the extent any such losses, damages or other liability is based on or results from Windstream's gross negligence or willful misconduct. This

provision includes but is not limited to suits arising from disclosure of the telephone number, address, or name associated with the telephone called or the telephone used in connection with White Pages services.

**10.4 Pricing**

10.4.1 Prices for White Pages services are as contained on Exhibit I, attached hereto and incorporated herein.

**10.5 Term**

10.5.1 Upon termination of this Interconnection Agreement, this Section 10 Directories will be null and void with respect to any issue of directories published thereafter.

**EXHIBIT I: PRICE LIST**

**Price Disclaimer:** The following prices are for purchasing directories and Information Pages. Based on fluctuating printing and publishing expenses, Windstream reserves the right to increase these prices by no more than 3% annually.

**Price Per Initial White Page listing:** \$0.00

**Price Per Additional White Page listing:** \$3.00

**Price Per Single Sided Informational Page:**

**6x9**

1 additional information page	\$475.00
2 additional information pages	\$750.00

**9x11**

1 additional information page	\$1,225.00
2 additional information pages	\$1,440.00

**Price Per Book Copy for Initial Book Order:**      **Respective Directory Wholesale Price (See Below)**

**Price Per Book Copy Ordered after Initial Order:** **Respective Directory Retail Price (See Below)**

## **ATTACHMENT 20: DEFINITIONS**

Definitions of the terms used in this Agreement are listed below. The Parties agree that certain terms may be defined elsewhere in this Agreement, as well as terms not defined shall be construed in accordance with their customary meaning in the telecommunications industry as of the effective date of this Agreement.

**"Act"** means the Communications Act of 1934 (47 U.S.C. § 151 et seq.), as amended by the Telecommunications Act of 1996, as may be subsequently amended or, as from time to time interpreted in the duly authorized rules and regulations of the FCC or the Commission having authority to interpret the Act within its state of jurisdiction.

**"Windstream"** has the meaning set forth in the preamble.

**"Ancillary Services"** are services which support but are not required for interconnection of telecommunications networks between two or more parties, e.g., 911, DA, and Directory Services.

**"As defined or described in the Act"** means as specifically defined by the Act or required by the Act and as from time to time interpreted in the duly authorized rules and regulations of the FCC or the State Commission.

**"Automated Message Accounting" or "AMA"** means the Automated Message Accounting structure inherent in switch technology that initially records telecommunication message information. AMA format is contained in the Automated Message Accounting document published by Bellcore as GR-1100-CORE, which defines the industry standard for message recording.

**"Billing Number"** means the number to which charges for a call are billable.

**"Calling Party Number" or "CPN"** is a feature of signaling system 7 ("SS7") protocol whereby the 10 digit number of the calling party is forwarded from the end office.

**"CLASS (Custom Local Area Signaling Service) and Custom Features"** means a grouping of optional enhancements to basic local exchange service that offers special call handling features to residential and single-line business Customers (e.g., call waiting, call forwarding and automatic redial).

**"Commission" or "PUC" or "PSC"** means the state administrative agency to which the United States Congress or state legislature has delegated authority to regulate the operations of Local Exchange Carriers ("LECs") as defined in the Act.

**"Common Channel Signaling" or "CCS"** means a special network, fully separate from the transmission path of the public switched network that digitally transmits call setup and network control data.

**"Confidential Information"** has the meaning set forth in § 6.0 of the General Terms and Conditions.

**"Connecting Facilities"** means dedicated facilities provided either under this Agreement or separate contract used to connect Carrier's network and Windstream's network for the purposes of interchanging traffic.

**"Contract Year"** means a twelve (12) month period during the term of the contract commencing on the Effective Date and each anniversary thereof.

**"Conversation Time"** means the time (in full second increments) that both Parties' equipment is used for a call, measured from the receipt of answer supervision to disconnect supervision.

**"Customer"** means, whether or not capitalized, any business, residential or governmental Customer of services covered by the Agreement, and includes the term "End User". More specific meanings of either of such terms are dependent upon the context in which they appear in the Agreement and the provisions of the Act.

**"Customer Usage Data"** means the local Telecommunications Services usage data of a Access Point Customer, measured in minutes, sum-minutes increments, message units, or otherwise, that is recorded by Windstream and forwarded to Access Point.

**"Discloser"** means that party to this Agreement which has disclosed Confidential Information to the other party.

**"E911 Service"** is a method of routing 911 calls to a PSAP that uses Customer location data in the ALI/DMS to determine the PSAP to which a call should be routed.

**"Effective Date"** is the date indicated in the Preface on which the Agreement shall become effective.

**"Electronic File Transfer"** means any system/process, which utilizes an electronic format and protocol to send/receive data files.

**"End Office"** means a local Windstream switching point where Windstream Customer station loops are terminated for purposes of interconnection to each other and to the network.

**"End User"** means, whether or not capitalized, any business, residential or governmental Customer of services covered by the Agreement and includes the term "Customer". More specific meanings of either of such terms are dependent upon the context in which they appear in the Agreement and the provisions of the Act.

**"Enhanced White Pages Listings"** means optional features available for residential White Pages Directory Listings (e.g., bold, italics, lines of distinction).

**"Exchange"** is the geographic territory delineated as an exchange area for Windstream by official commission boundary maps.

**"Exchange Access"** is defined in the Act.

**"Exchange Message Interface" or "EMI"** is the standard used for exchange of telecommunications message information among Local Exchange Carriers for billable, non-billable, sample, settlement and study data.

**"Exchange Services"** are two-way switched voice-grade telecommunications services with access to the public switched network with originate and terminate within an exchange.

**"FCC"** means the Federal Communications Commission.

**"Incumbent Local Exchange Carrier" or "ILEC"** has the meaning given the term in the Act.

**"Interconnection"** has the meaning given the term in the Act and refers to the connection of separate pieces of equipment, facilities, or platforms between or within networks for the purpose of transmission and routing of Telephone Exchange Service traffic and Exchange Access traffic.

**"Interconnection Agreement"** means the agreement between the Parties entitled "Interconnection Agreement Under §§ 251 and 252 of the Telecommunications Act of 1996," dated July 16, 1996.

**"Interexchange Carrier" or "IXC"** means a telecommunications provider that provides long distance communications services between LATAs and authorized by the Commission to provide long distance communications services.

**"InterLATA"** has the meaning given the term in the Act.

**"IntraLATA Traffic"** means all IntraLATA calls provided by a LEC other than traffic completed in the LECs local exchange boundary.

**"Local Access and Transport Area" or "LATA"** has the meaning given to the term in the Act.

**"Local Exchange Carrier" or "LEC"** means the incumbent carrier that provides facility-based Exchange Services, which has universal-service and carrier-of-last-resort obligations.

**"Local Service Provider" or "LSP"** means a non-incumbent carrier licensed by the Commission with the appropriate certification (e.g., a Certificate of Authorization or Service Provider Certificate of Authorization) and authority necessary to provide Exchange Services.

**“Local Service Request” or “LSR”** means an industry standard form used by the Parties to add, establish, change or disconnect services provided under this agreement.

**“LSP Customer”** means any business or residential Customer for Local Service Provider services.

**“911 Service”** means a universal telephone number, which gives the public direct access to the PSAP. Basic 911 service collects 911 calls from one or more local exchange switches that serve a geographic area. The calls are then sent to the correct authority designated to receive such calls.

**“Operating Company Number” or “OCN”** means nationally recognized company codes set forth in Bellcore’s LERG that will be used as the official identification code for each company that provides local exchange telephone service.

**“Parties”** means Windstream and the Access Point collectively.

**“Party”** means either Windstream or the Access Point as applicable.

**“Recipient”** means the Party to this Agreement, which has received Confidential Information from the other Party.

**“Resale Services”** - any telecommunications service that is provided to subscribers who are not telecommunications carriers.

**“Service Area”** means the geographic area, e.g., Major Trading Area, Basic Trading Area, Metropolitan Service Area, Geographic Service Area, and Rural Service Area, served by the cellular system within which Carrier is licensed to provide service.

**“Signaling System 7” or “SS7”** means a signaling protocol used by the CCS network.

**“Signaling Transfer Point” or “STP”** means the point where a party interconnects, either directly or through facilities provided by Windstream, or a Third Party Provider with the CCS/SS7 network.

**“Switched Exchange Access Service”** means the offering of transmission or switching services to telecommunications carriers for the purpose of the origination or termination of Telephone toll Service. Switched Exchange Access Services include, but are not necessarily limited to: Feature Group A, Feature Group B, Feature Group D, 800/888 access, and 900 access and their successors or similar Switched Exchange Access Services.

**“Synchronous Optical Network” or “SONET”** means an optical interface standard that allows inter-networking of transmission products from multiple vendors.

**“Telephone Exchange Service”** means wireline exchange connections amongst LEC End Users.

**“Telecommunications”** has the meanings given in the Act.

**“Telecommunications Carrier”** has the meanings given in the Act.

**“Termination”** means the switching of Local Traffic at the terminating carrier's end office switch, or equivalent facility, and delivery of such traffic to the called party.

**“Territory”** means the incumbent local exchange areas within the states identified in Appendix A

**“Undefined Terms”** The Parties acknowledge that terms may appear in the Agreement that are not defined and agree that any such terms shall be construed in accordance with their end-user usage in the telecommunications industry as of the effective date of this Agreement.

**“Work Locations”** means any real estate that Windstream owns, leases or licenses or in which it holds easements or other rights to use, or does use, in connection with this Agreement.

**ATTACHMENT 21: ACRONYMS**

AMA	Automated Message Accounting
BAN	Billing Account Number
CAP	Competitive Access Provider
CCS	Common Channel Signaling
CLASS	Custom Local Area Signaling Service
CMDS	Centralized Message Distribution System
CPN	Calling Party Number
EMI	Exchange Message Interface
EUCL	End User Common Line
FCC	Federal Communications Commission
ILEC	Incumbent Local Exchange Carrier
IXC	Interexchange Carrier
LATA	Local Access and Transport Area
LEC	Local Exchange Carrier
LOA	Letter of Authority
LSP	Local Service Provider
LSR	Local Service Request
NECA	National Exchange Carrier Association
OCN	Operating Company Number
PIC	Primary Interexchange Carrier
PSC	Public Service Commission
PUC	Public Utilities Commission
SLC	Subscriber Line Charge
SONET	Synchronous Optical Network
SS7	Signaling System 7
STP	Signaling Transfer Point
