

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INTERCONNECTION AGREEMENT BETWEEN)	CASE NO.
BELLSOUTH TELECOMMUNICATIONS, LLC)	2019-00298
AND CSC WIRELESS, LLC)	

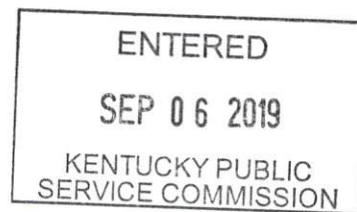

ORDER

On June 25, 2019, BellSouth Telecommunications, LLC, d/b/a AT&T Kentucky, filed with the Commission an interconnection agreement between it and CSC Wireless, LLC (CSC Wireless). The interconnection agreement was negotiated pursuant to 47 U.S.C. §§ 251 and 252. On August 27, 2019, CSC Wireless filed a request with the Commission that the Commission issue an Order approving the interconnection agreement, rather than letting it go into effect as a matter of law, pursuant to 47 U.S.C. § 252(e)(4), 90 days after the filing of the interconnection agreement. CSC Wireless states that it intends to operate under the interconnection agreement as soon as possible.

The Commission has reviewed the proposed interconnection agreement and finds that no portion of the interconnection agreement discriminates against a telecommunications carrier that is not a party to the agreement. The Commission also finds that implementation of this interconnection agreement is consistent with the public interest, convenience, and necessity.

Based on the foregoing, IT IS THEREFORE ORDERED that the proposed interconnection agreement is effective as of the date of this Order.

By the Commission
