

AMENDMENT  
TO THE  
INTERCONNECTION AGREEMENT BETWEEN  
NORTHPOINT COMMUNICATIONS, INC. and  
BELLSOUTH TELECOMMUNICATIONS, INC.  
DATED JUNE 9, 1998.

Pursuant to this Agreement (the "Amendment"), BellSouth Telecommunications, Inc. ("BellSouth") and NorthPoint Communications, Inc. ("NorthPoint"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Interconnection Agreement between the Parties dated June 9, 1998 ("Interconnection Agreement").

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, BellSouth and NorthPoint hereby covenant and agree as follows:

1. Attachment 2 of the Interconnection Agreement is hereby amended to include a new section 2.4 as follows:
  - 2.4 Universal Digital Channel (UDC) Loop
    - 2.4.1 Due to technical limitations associated with certain DLC systems, some ISDN-capable loops that are provisioned using DLC systems may not support IDSL service. Effective with this agreement, BellSouth will no longer reconfigure its ISDN-capable loop to support IDSL service.
    - 2.4.2 Instead, BellSouth agrees to offer the Universal Digital Channel (UDC) loop as a part of their Unbundled Digital Loop offerings. The UDC loop is intended to be compatible with IDSL service and has the same physical characteristics and transmission specifications as BellSouth's ISDN-capable loop. These specifications are listed in BellSouth's TR73600.
    - 2.4.3 Like the ISDN-capable loop, the UDC loop may be provisioned on copper or through a DLC system. However, when UDC loops are provisioned using a DLC system, BellSouth will ensure that they are only provisioned on time slots that are compatible with data-only services such as IDSL.

2. Attachment 2, Exhibit A of the Interconnection Agreement is hereby amended to include the interim rates for UDC loops set forth in Exhibit 1 attached hereto.

3. All other provisions of the Interconnection Agreement dated June 9, 1998 shall remain in full force and effect.

4. Either or both of the Parties shall submit this Amendment to the appropriate Commission for approval subject to Section 252(e) of the Federal Telecommunications Act of 1996.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to the Interconnection Agreement be executed by their respective duly authorized representatives on the date indicated below.
