RE: Big Rivers Electric Corporation

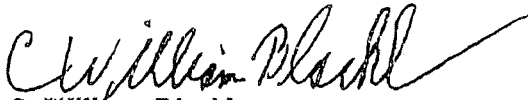

Dear Mr. Cline:

Pursuant to the Public Service Commission's October 7, 2005, Order in Administrative Case 387, Big Rivers is required to file annually the information relating to that case with its Annual Report. Big Rivers' Annual Report is being filed under separate cover. This letter is requesting an extension for the filing of the information relating to Administrative Case 387 until May 11, 2009. The reason for this request is that Big Rivers' personnel are consumed with an ongoing rate case, the Commission's data request relating to the 2009 ice storm, and efforts to close the unwind transaction that was approved by the Commission in Case No. 2007-00455.

If you have any questions, please feel free to contact either Ralph Ashworth or me.

Sincerely,

BIG RIVERS ELECTRIC CORPORATION

C. William Blackburn
Senior Vice President and CFO
