PUBLIC SERVICE
COMMISSION

Dear Ms. Rowles:

Please provide to me at duncan.crosby@skofirm.com a PDF copy of the map referred to as Staff Exhibit 1 in footnote 29 (page 10) of the Kentucky Public Service Commission's June 30, 2009 Order in Case No. 2004-00018. As can be seen in the April 15, 2008 Motion to Intervene of Cow Creek Gas, Inc., I was and am counsel of record for Cow Creek in Case No. 2004-00018. The Commission granted Cow Creek intervention in Case No. 2004-00018 by Order dated May 15, 2008.

I understand that since September 11, 2001, location data of critical utility structures is considered sensitive information for security reasons. I will not publish this map or any part of it on the World Wide Web. I will not redistribute this map to others, but shall refer requests by others for such information to the Commission. I will give credit to the Commission and I will abide by the following data disclaimer: "All information within the product is believed accurate but is not guaranteed without error. While attempts have been made to ensure the correctness of the information presented, neither the Kentucky Public Service Commission nor any party involved in the creation and compilation of the data guarantees their accuracy, completeness, or suitability for a particular use. All critical information should be independently verified."

Sincerely,

W. Duncan Crosby III
