**SUBJECT: Case #: 2005-00225**

Dear Mr. Wakim;

In accordance with the PSC issued order for the above referenced case, article 7, please find included the annual report for the progress of the AMR meter installation for 2008. As you may notice, there was a decrease in the number of meters changed out. As you can see, we are behind schedule, however, we intend to catch up in 2009.

Please feel free to call if you need more information or have any questions.

Sincerely,

Brett Pyles, Operations Manager
