Subject: Duke Energy rate hike
Auto forwarded by a Rule

I just had a comment about Duke Energy rate hike \$49 million, that is about what Paul Anderson & Jim Rogers gets each year in bonuses, remember when Duke Energy said they would be no rate increases if they could merge with Cinergy. I have a lot of family in Kentucky that a \$20 or \$30 a month is a lot of money, just so the top C.E.O's can get a big bonus.
