Re: Louisville Gas & Electric Company – Petition for Confidentiality received
9/26/08 - PSC Reference – Case No. 2007-00117

Dear Ms. Sturgeon:

The Public Service Commission has received Louisville Gas & Electric Company's Petition for confidential treatment requesting to protect as confidential certain information contained in its Joint Promotion Agreement with General Electric Company. The information is described as relating to their Responsive Pricing and Smart Metering Pilot Program.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, Louisville Gas & Electric Company is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo
Executive Director
