

Dear Ms. Tattershall:

Because Case No. 2007-00131 is pending before the Kentucky Public Service Commission, it is impermissible for the PSC or its staff to discuss the PSC's review of this matter or its possible outcome. However, your comments will be placed into the case file for the Commission's consideration as it deliberates in this matter.

Thank you for your interest.

To Whom It May Concern: We need to be able to pay for this new water service through our water bill. Asking any citizen to suddenly pay almost \$8000 is inappropriate at best but to ask those in our little community is extremely difficult.

We simply could not do it and respectfully submit that we will be able to pay through the monthly bill only, as we have done for our sewer.
