Dear Representative Watkins:

I greatly appreciated receiving your letter concerning the matter involving Big Rivers Electric Corporation and E. ON US commonly referred to as the "unwind" of their contractual agreements. As you know, this important matter is currently before the Kentucky Public Service Commission and therefore I am unable to discuss this case in any detail.

However, I promise that, as in each and every case that comes before the Commission, my two fellow Commissioners and I will give the matter the attention and high regard it deserves.

The Commission heard testimony on this case over two days last month and your constituents and you can monitor the progress of this case via our website, [psc.ky.gov](http://psc.ky.gov). If you need any assistance on this or any matter do not hesitate to contact our new Executive Director, Jeff Derouen, at 564-3940.

Thanks you for your interest in this matter and the Kentucky Public Service Commission.

Sincerely,

David L. Armstrong  
Chairman
